MARION COUNTY, OH

YOU ARE AUTOMATICALLY ENROLLED WITH THE
TOWNSHIP AGGREGATION, UNLESS YOU DECIDE
TO "opt-out".

Our "FIXED PRICE" is \$0.598 per CCF

September 6, 2023

Dear Resident or Small Business Owner:

Marion Township has selected IGS Energy of Dublin, Ohio as the supplier of natural gas to participants in its Natural Gas Aggregation Program. You are eligible to participate with other residents and small businesses in your community. You will automatically be enrolled in the Marion Township Natural Gas Aggregation Program unless you notify IGS Energy that you do not wish to participate.

Under governmental aggregation, Marion Township acts on behalf of natural gas consumers in the community to negotiate a gas supply contract with eligible suppliers. Both Marion Township and IGS Energy must be certified by the Public Utilities Commission of Ohio. The Marion Township voters approved the implementation of the program on November 6, 2012 and the Township Trustees approved Resolution number 2018-0821-B. Your participation in the aggregation program for Marion Township will begin within one or two billing periods after enrollment with Columbia Gas Ohio (COH) and end with your October 2025 billing period.

Your price under the Marion Township Natural Gas Aggregation Program will be a fixed rate \$0.598 per CCF, plus applicable state and local taxes through your October 2025 billing period. Please refer to the attached Terms and Conditions for full details of this offer.

You will be automatically enrolled in the Marion Township Natural Gas Aggregation Program unless you choose to "opt out" – that is, to not participate. There is no cost for enrollment. You do not need to do anything to be included. You may cancel your enrollment from this program at any time with no cancellation fee by providing notice to IGS Energy.

If you want to be excluded from the Marion Township Natural Gas Aggregation Program you must return the enclosed "Opt-Out" form or contact IGS Energy at 1-877-353-0162 by September 27, 2023. If you do not opt out at this time, you will be enrolled in the program until it expires with your October 2025 billing period. If you do nothing you will soon receive a letter from Columbia Gas of Ohio notifying you of your transfer to your community's new program with IGS Energy as your supplier. **If you wish to remain in the program, simply ignore that letter.**

Under this program IGS Energy will deliver your gas to Columbia Gas of Ohio and then Columbia Gas of Ohio will deliver that gas to you. Columbia Gas of Ohio will maintain the pipeline system that delivers natural gas to your home or business. Columbia Gas of Ohio will continue to read your meter and will continue to send you a monthly bill that will include the gas supply charge from IGS Energy. You will still contact Columbia Gas of Ohio regarding loss of gas service, odor of gas, or for any other concerns or issues having to do with your local service. Budget billing and automatic billing options will continue to be available through Columbia Gas of Ohio.

If you have any questions please call IGS Energy at 1-877-353-0162, weekdays, from 8:00 a.m. to 8:00 p.m. EST. For general information on natural gas deregulation in Ohio, you can also visit the Web Sites of the Ohio Consumers' Counsel (www.occ.ohio.gov) or the Public Utilities Commission of Ohio (www.PUCO.ohio.gov).

Sincerely,

Marion Township and IGS Energy

*P.S. Remember to return the "Opt-Out" form only if you do **not** want to participate in the Marion Township Natural Gas Aggregation Program.*

If the home or small business for which you have received this letter is not located within Marion Township, you have received this letter in error. Please contact IGS Energy at 1-877-353-0162 to be removed from the aggregation list.

You are not eligible to participate in this program if you are currently enrolled in the PIPP program. If you are already under contract with a competitive retail natural gas service provider, you may incur a contract termination fee or other charges if you fail to opt-out of the aggregation program.
