

AN OFFICER take Erins report.

**DETECTIVE**

So you're 100% sure the window was locked.

**ERIN CAMBRIDGE**

I'm positive.

**DETECTIVE**

Yet nothing was taken.

**ERIN CAMBRIDGE**

No.

**DETECTIVE**

So why would an intruder break in and not take anything?

**ERIN CAMBRIDGE**

I don't know? Maybe I startled him before he could steal anything, I just don't know.

(The 2 DETECTIVES flash each other a look, false alarm.)

**ERIN CAMBRIDGE (CONT'D)**

Look, I know this seems strange but I'm telling you guys someone was definitely here, and plus someone's been playing on my phone.

**DETECTIVE**

Playing on your phone?

**ERIN CAMBRIDGE**

Yes, and they went in my car the other night.

**DETECTIVE**

Did they take anything from your vehicle?

**ERIN CAMBRIDGE**

(reluctantly)

No.

**DETECTIVE**

Mam there's not much we can do here, there's no forced entry, nothing is out of order. We can

take a report and you can follow up with detectives, maybe they can send out a team to dust for prints.

(Erin lets out a deep sigh.)
