

The nurse walks over, clipboard in hand.

NURSE

Dr. Reynolds can I borrow you for a moment.

LANCE REYNOLDS

Sure.

(to Erin)

Give me just a second.

Lance steps away with the nurse.

NURSE

Doctor I was doing the monthly inventory and it seems we're short 6 vials of profofol.

LANCE REYNOLDS

You sure?

NURSE

Yes, I triple checked and we're exactly 6 vials short.

LANCE REYNOLDS

Ok, keep this between us and I'll look into it.

NURSE

Yes Doctor

Lance walks away to continue his conversation with Erin.
