

Erin arrives at the work and heads into TONY'S (40's) office.

His mood is solemn and seems lost in thought.

**ERIN CAMBRIDGE**

What's wrong?

**TONY**

Everything.

**ERIN CAMBRIDGE**

Tell me they got that slab poured yesterday.

**TONY**

That's not it, this morning Gray Mixon and his wife were found murdered.

**ERIN CAMBRIDGE**

Seriously?

**TONY**

Yes, a neighbor on her morning walk noticed the front door wide open, she walked up and knocked. she was too scared to go in when no one answered so she called the police and they found them bludgeoned to death in their bed.

**ERIN CAMBRIDGE**

(a gasp)

Who would do that?

**TONY**

That's everyone's question, they were nice people.

**ERIN CAMBRIDGE**

What does this mean for the deal?

**TONY**

It's definitely on hold until they can sort this all out. It could be a while.

**ERIN CAMBRIDGE**

(exhales)

Just what I need.
