

MS LAWRENCE

So why didn't you call and tell me the good news.

GRACE

(an attitude)

No I didn't want to.

MS LAWRENCE (sensing her hesitancy)

You have to let that go.

GRACE

Can we *please* change the subject, I mean this is supposed to be a celebration, right?

MS LAWRENCE

I'm just saying.

GRACE

Well don't just say.

MS LAWRENCE

O'kay O'kay. Well now the only thing left to do is find you a boo and get you married off so you can pop some kids out.
