He motions to the **WAITER**.

WAITER

Would you like a wine list sir?

HAROLD MELVILLE

No, just bring us a bottle of your best Mouton Rothschild 1982.23.

WAITER

Right away sir.

GRACE

(staring at the wine list)

My, you really know your wine.

All the while she's thinking at 28 grand a bottle she'd better close this deal.

HAROLD MELVILLE

I've always fancied myself as a wine connoisseur. What about you?

GRACE

Me, nooo, but I saw that particular bottle on a television special once called. "Wines most people can't afford."

She chuckles, they don't. She's embarrassed.

The waiter returns with the bottle, opens it and begins to pour.

WAITER

Will that be all?
