

Bingo rules update: In general, you must do most squares over again when you get a new card. Some of you have noticed some bingo squares that need clarification.

1. “Submit your 2019 race plan or ideas” If you turn in your race schedule for 2019, you can cross off that square on all bingo cards you use. You only have to turn your schedule in once.
2. “Renew your 2019 membership” Same as above. Membership renewal is due by March 31, but some of you joined late enough to have your membership carry through until March 31, 2020. If you are one of those people or a club sponsor or you already renewed for 2019-20, you can mark off the square on any bingo card. Contact info@bakersfieldtripsokes.org if you’re not sure if you need to renew.
3. “Attend a club general meeting” There will be three meetings through the bingo game yet there is the possibility to use six bingo cards. So, here’s the rule: Say you attended the February meeting. You can cross off that square on any card up until the March meeting. Then you must attend the March meeting to be able to cross off any meeting square until the April meeting.
4. The squares to swim 5,000 yards, ride 100 miles and run 15 miles do not have to be done in one day or in consecutive days. But once you cross off one of those squares, you must do it again to cross it off on the next card.
