

Bakersfield Trispokes Club Record Board

The following pages are the top performances of athletes while they are registered members of the Bakersfield Trispokes Club. Any faster performances that were done outside of being a club member will be logged in a different place.

The record will only qualify if the distances of the race are equal to the distances listed in the race category. Ex. (750m swim, 20k bike, 5k run) and not (400m swim, 10mi bike, 2 mi run)

If the race is shorter or longer than the specified distance it can still count for the local favorites category but not for the distance category.

This is a rough draft and I am assuming filled with errors! All of this data was pulled from the Bakersfield Trispokes website and some was crosschecked with the actual race websites. If/when an error is found then please send the following to 2daneoleson@gmail.com:

After receiving an email I will validate and update the record board!

Good luck and happy record hunting!
