

Amado Energy Solutions (AES)

Your Outsourced Partner for Energy & Project Management

About Us

Amado Energy Solutions (AES) is a certified minority- and woman-owned consulting firm specializing in energy management and project management for municipalities,

schools, and organizations.

We help clients maximize grant funding, cut energy costs, and deliver projects on-time and on-budget — without the overhead of full-time staff.

With over 15 years of experience in strategic energy management, decarbonization planning, and capital project oversight, AES is the go-to boutique energy manager and project partner across Massachusetts and beyond.
