7. Blocking chutes will be allowed in designated areas only.
8. Exhibitors must inform themselves when their stock is to be judged and must be in the show ring promptly after calling of class. Animals not in the ring at show time may be ruled from competition.
9. Each exhibitor is expected to show his or her entries unassisted except when prevented by illness, death in family, or because of having more than one entry in the same class. In such cases, another youth may be substituted. In addition, a substitute showman will be allowed if an exhibitor is representing their school on a school related event or trip. In the case of missing the show due to a school event or trip, the show superintendent must be informed 2 weeks prior to entry deadline (September 17th). All other substitutions must inform Show Superintendent prior to an animal entering the arena.

10. Where there is no competition only one premium will be paid on any one animal and that premium maybe 1st, 2nd, or 3rd, in accordance with the ruling of the judge. The class winner will be allowed to compete in the Championship Drive.
