Message from our President

My name is Dan Crown and I have been on the board for three years. I have sadly have taken over the position from our wonderful past President David Roberson who we lost to a automobile accident last fall. David's energy and commitment to our community is unmatched and will be greatly missed. As your new President I hope to continue his spirit of community involvement here in the Forest that we all love. I look forward to meeting all of you and please don't hesitate to contact myself via the SFIA web site should you have any questions
Sincerely, Dan Crown
