The first annual K-9 Street Survival School Training will be held in Paducah, Kentucky. This school will be a combination of classroom and working dog time with several large venues for training. Each team will be able to complete various exercises each day. There will be a combination of scenarios and training stations to improve critical skills. Classes and exercises will be available for patrol, narcotics, bomb and gun dogs.

### EQUIPMENT LIST FOR WORKING DOG SLOTS:

1. K-9 First Aid Kit
2. Your Police/Military Patrol/Narcotics/Bomb Dog
3. E-Collar with Remote and Charging System
4. Flat collar, prong collar, choke collar, agitation harness, tracking harness, tactical harness
5. Bite sleeve, bite suit, leg sleeve
6. 6 ft, 15 ft, 33 ft Long Leash
7. Quality Agitation/Fighting Muzzle
8. Water, water bowl, food for your dog (water for handler)
9. Anything else you might need for you and your dog for real world deployment and training.
10. If you don't have some of these things, you can borrow or share. The Elite K-9 Equipment store is located on the training site if you need to buy anything K-9 related.
11. Uniform, duty belt and weapon if you are going to be doing the live fire portion of training with your dog. Hearing and eye protection for you and your dog. The firing range is located on site at the training facility.

**CERTIFICATION:** We are offering certification through NNDDA and Drugbeat for those that need or want to recertify through those two organizations. Additional info to follow on those requirements.
