Thank you from taking time to complete this assessment.

Please note that this worksheet for assessing self-care is suggestive.

Feel free to add areas of self-care that are relevant for you and rate yourself on how often and how well you are taking care of yourself.

When you are finished, look for patterns in your responses.

- Are you more active in some areas of self-care?
- Do you tend to ignore others?
- Are there items on the list that hadn't even occurred to you?
- 

Listen to your internal responses and dialogue about self-care and take note of anything you would like to prioritize moving forward.
