Starkey

### **GENESIS AI PRODUCT GUIDE 2023 | 2024**

#### **Starkey Neuro Processor**

The industry's most advanced processor technology enables an onboard DNN, transparent sound quality, and unprecedented battery life.

### Edge Mode+

Uses AI to let patients optimise sound quality on-demand for either clearer speech or improved listening comfort.

### TeleHear

Our complete, remote telehealth solution keeps you connected to your patients even when they can't reach your office.

### ! Fall detection

Starkey is still the only manufacturer with hearing aids that can detect falls and alert family and friends.

### Health monitoring

Uses the science of the ears to accurately count steps, track engagement and help wearers achieve well-being goals.

## Telecoil

Default on RIC RT style. Optional for ITE R style.

### My Starkey patient app

Gives patients control over their hearing aids, plus the ability to get tips, track their health, and access intelligent features designed to simplify their lives.

### Hear Share caregiver app

Provides peace of mind for caregivers and more independence for hearing aid wearers.
