Dear Members of the MH Community,

We are writing to extend our heartfelt gratitude to all the incredible members of our community and the local businesses for their unwavering support of the MH Library. Your generosity and commitment have been instrumental in helping our beloved library thrive, and we are deeply appreciative of your continued involvement.

The Friends of the MH Library is a nonprofit organization composed of dedicated residents of the MH community who are passionate about supporting our local library. We are committed to enhancing the library's resources, programs, and services, making it a vibrant and essential part of our community.

Over the last few years, we have been able to carry out important projects, however, we still need your help. Your continued support allows us to maintain and grow the vital programs that enrich our community.

We are excited to offer special recognition opportunities for donors. An annual **tax-deductible contribution of \$100** will secure your business featured on our website for one year. We will also be happy to recognize your generous support through our event promotions, book sales, and our Facebook page, reaching the wider community.

Your involvement and generosity truly make a difference. Thank you for standing with us in support of the MH Library. Together, we can ensure that our library remains a cornerstone of knowledge, community, and inspiration for generations to come.

With sincere appreciation,

Ana Revilla, MD
President, Friends of the MH Library
