

Join Your Industry Advocate Today!

USIPA was formed in 2011 to establish industry-wide positions on a host of issues including policy, safety, and the overall growth of the industrial-grade wood pellet market. USIPA is a 501(c)(6) not-for-profit trade association formed to support the growth and vitality of the US industrial wood pellet industry. **What benefits can you expect?**

Education

Opportunities to participate in association working groups on Sustainability and SBP Certification

Regular updates on US, EU, UK and Asia policy-making issues and markets

Pertinent industry news clippings and critical substantive updates via email and in target teleconferences

Business Development

Exclusive invitations to biannual membership meetings with critical stakeholders

Early insight and tracking for Industry-leading networking events and conferences

Early access to USIPA annual conference sponsorship opportunities

Advocacy

Representation at the EU institutions, the UK parliament and agencies, US Federal agencies, and with Japanese officials

Participation in public education campaigns on the benefits of biomass and wood pellet production

A unified voice on issues affecting the entire supply chain
