

ROLL OUT AWNING ANNEXES

Increase your living space and get the most out of the outdoors with an Alpine Annexe Roll Out Awning Annexe. Custom made with an extensive range of design options and colours to choose from.

**No.1 for
Annexes**

PREMIUM QUALITY AWNING WALLS

Convert your Roll Out Awning into a complete annexe by adding walls.

We have an extensive range of design options and colours to choose from. Every job is custom measured and made to suit your van.

Walls are attached with an easy to use Anti-Flap Kit. This method of attachment provides a secure and robust fit. The Anti-Flap Kit can also be used without setting up walls to brace the awning and protect it from damaging winds. Curved Rafters can be added for extra support to the awning.

Alpine Annexes are custom made to your individual requirements, therefore, windows and doors can be placed wherever you would like them, if you would like more windows or doors we can quote for these as well, you also have a choice of colours you would like. With every product being custom made locally you can be assured of an outstanding result for every product designed so you can truly enjoy your holiday outdoors.

Each wall is conveniently made separately so you have maximum versatility when setting them up as you can use your walls independently.

Various extras can be added to your walls to suit your individual needs.

ABOUT ALPINE ANNEXES

Alpine Annexes is a Victorian based manufacturer of high-quality Australian made products and accessories for caravans. We have over 35 years' experience and have a solid reputation in the Caravanning Community and the Caravan Trade.

All our products are designed and manufactured to the highest standard from materials specifically made for the Australian Climate and backed by a guarantee and support service second to none.

Walls Attach with an Anti-Flap Kit

We supply the Anti-flap Kit with our annexes, all walls can be attached separately for versatility and ease of use.

Curved Roof Rafters

We recommend with all Roll out Awnings you install sufficient Curved Roof Rafters to support your Vinyl. Curved Roof Rafters give your awning added strength, support your roof, and prevent it from ponding with water during rainy days.

EXTRA ROOM OPTIONS

Cubby

A Cubby is a great way to create an extra private space, these are one of our most popular add on products.

Customers often purchase the cubby and use it for an addition Kids Bedroom, Change room, Ensuite, Storage room or even a Pet enclosure.

Veranda with Walls

Veranda's with Walls are a fabulous full size additional room that can be added in 70% or 90% Shade Mesh, Canvas, or a combination of both, designed to suit your individual needs.

With the option of windows and doors, this extra room can be used as an adult size bedroom, Ensuite or a storage area, to keep your toys and equipment safely away and out of site.

The beauty of the Veranda with walls is that you have the versatility of setting up the roof on its own or adding one two or three walls.

These awesome additions can be made for the front or the rear of your annexe.
