

The Lord wants us to escape this delusive world. He cries for us, for He knows how hard it is for us to gain His deliverance. But you have only to remember that you are His child. Don't pity yourself. You are loved just as much by God as are Jesus and Krishna. You must seek His love, for it encompasses eternal freedom, endless joy, and immortality.

The love of God cannot be described, but it can be felt as the heart is purified and made constant. As the mind and the feeling are directed inward, you begin to feel His joy. The pleasures of the senses do not last; but the joy of God is everlasting. It is incomparable!
