

“Solve all your problems through meditation. Exchange unprofitable religious speculations for actual God-contact. Clear your mind of dogmatic theological debris; let in the fresh, healing waters of direct perception. Attune yourself to the active inner Guidance; the Divine Voice has the answer to every dilemma of life. Through man’s ingenuity for getting himself into trouble appears to be endless, the Infinite Succor is no less resourceful.”

-Lahiri Mahasaya

Always remember that you belong to no one, and no one belongs to you.
Reflect that some day you will suddenly have to leave everything in this world -
so make the acquaintanceship of God now.
