Informative Bulletin for Spring 2019

Welcome to our Group. Devotees gather weekly to participate in group meditations and to join in divine fellowship. As our Guru, Paramahansa Yogananda said, "Group meditation is a castle that protects the new spiritual aspirants as well as the veteran meditators. Meditating together increases the degree of Self-realization of each member of the group by the law of invisible vibratory exchange of group magnetism." We welcome all to our weekly services.
