**\*ENFIELD COMMUNITY INDEPENDENTS LEADER ANNOUNCES CANDIDACY FOR YOUR PARTY CENTRAL EXECUTIVE COMMITTEE\***

**London, 16 January 2026**

Enfield Community Independents leader, Khalid Sadur, today announced his candidacy for the Central Executive Committee (CEC) of Your Party (YP), pledging to bring a balanced voice to the collective leadership of YP and setting out a renewed vision for the party's future.

A lifelong resident of Enfield in North London, Sadur brings a shared understanding of the everyday challenges facing communities up and down the country. His campaign is built upon a platform of uniting the party's talent, refining its vision, and directly addressing the urgent needs of the electorate.

In his announcement, Sadur stated:

***“As a lifelong resident of Enfield in London, I am standing for the collective leadership of Your Party. We urgently need to move the party forward, create a compelling vision for the future and come to the aid of so many in this country who desperately need the policies we stand for.”***

He outlined the tangible difference Your Party must make, saying:

***“From cutting fuel bills, to nationalising public utilities, eradicating child poverty to reducing massive wealth inequality, Your Party can make a real difference to the lives of those working hard to make ends meet.”***

Emphasising a core philosophy of enduring support, Sadur added:

***“From cradle to grave, we need to be there to provide opportunities and assistance to people who need it the most.”***

Sadur positioned his CEC candidacy as a crucial step in professionalising and empowering the party's broad base.

***“The CEC should reflect the huge talent we have on the Left and provide the means by which we become a political party that is truly the best in class in everything we do.”***

Concluding with a rallying call for unity and ambition, he said:

***“By coming together, standing united, we can replace Labour all across this country and defeat the threat of Reform.”***

Khalid Sadur's campaign will focus on internal democracy, policy clarity, and building a party machine capable of winning at all levels to deliver transformative change for the country.
