

SCHAF Newsletter for June, 2021

Reminder: The next SCHAF Open House will take place Saturday, June 12, 2021 from 10am-1pm at Hangar Y-1 Jim Hamilton/LB Owens Airport.

Foundation Happenings

In last month's newsletter, we featured one of our high school senior volunteers, Asa Arnold. This month, we want to feature two more seniors. These youth have been dedicated volunteers who will be greatly missed once they leave for college.

Dale Lyon

Dale, a senior at Spring Hill High School, contacted SCHAF in August of 2020. He was interested in volunteering for a school assignment. What started as a school assignment has grown into a real passion. Dale has been at the hangar almost every work day since he first started. Besides volunteering to crawl into any tight space on GF2, he has quickly become proficient in fabricating parts. He is now a B-25 fanatic just like the rest of us!

In the fall, Dale will attend the Aviator College of Aeronautical Science and Technology in Florida. He will major in applied sciences.

Pierce Mclaughlin

Pierce, a senior at Heathwood Hall Episcopal School, comes by his love for aviation naturally. His father, Niall, introduced Pierce to airplanes at a very young age. Pierce has worked hard for SCHAF for many years. When several SCHAF members traveled to Canada to bring the Yale down to SC, Pierce went too. He is now proficient at removing and attaching wings to a Yale!

In the fall, Pierce will be attending the USC School of Aeronautical Engineering. Pictured below is Pierce with SCHAF member, Bill Rouw, sitting in the Canadian Warplane Heritage Museum's B-25, Hot Gen.

Greenwood Static Air Display

On Saturday and Sunday, June 5th and 6th, SCHAF will be attending a static air display show at the Greenwood County Airport in Greenwood, SC. As all of you know, GF2 crashed in Lake Greenwood on June 6th, 1944. We hope to be able to introduce the foundation to people who were there either when the plane crashed or when it was brought up. .At the air show, there will also be a flying B-25, Show-Me, from the Commemorative Air Force. We are looking forward to meeting with the Commemorative Air Force and discussing B-25s all day!

If you live near Greenwood, come see us. On Saturday, the static display is from 10:00 am – 5:00 pm. On Sunday, it will be from 9:00 am – 3:00 pm.

Pictures of SCHAF

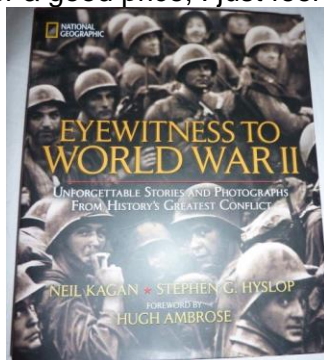

SCHAF was approached by the Index-Journal newspaper in Greenwood about an article featuring GF2. Colleen Arnold Photography was gracious enough to take pictures of GF2 for the article. Pictured below are some of her wonderful photographs. SCHAF would like to thank Colleen for volunteering her time to take these pictures.

BOOKS

It is that time of year where we sit on the beach and read good books. Do any of you have any suggestions for some good aviation books for this summer? Do you have any summertime enjoyments? If you have any suggestions, please send them for a future newsletter.

This book, Eyewitness to World War II, is clearance priced for \$5 at Barnes and Noble. Any time I see a nice hardback book for a good price, I just feel compelled to buy it!

Memorial Day

SCHAF hopes everyone had a safe Memorial Day. We solemnly remember the men and women who have made the ultimate sacrifice for our country.

WRAP UP

If you have something you would like to share in a future newsletter or if you have any questions, please send an email directly to SCHAF at info.schaf@gmail.com.
