

SOUTH CAROLINA HISTORIC AVIATION FOUNDATION

"Saving the past for the Future"

Your contribution/membership helps with the restoration of our foundation's historic B-25C Mitchell bomber. Also, it helps promote South Carolina's aviation heritage through our monthly open house and newsletter. This foundation educates adults and children about our aviation history and the contributions of previous generations.

Thank you for supporting SCHAF. Please fill out this form and mail your check to the address below. If you prefer to renew using PayPal, there is information on our website:
