Liability Release Form

WARNING

Under Maine law, an equine professional has limited liability for an injury or death resulting from the inherent risks of equine activities.

An Equine activity sponsor, an equine professional, or any other person engaged in an equine activity is not liable for any property damage or damages arising from personal injury or death of a participant or spectator resulting from inherent risks of equine activities. A person may not make any claim or recover from any person for any property damage or damages for personal injury or death resulting from the inherent risks of equine activities. Each participant and spectator in an equine activity expressly assumes the risk and legal responsibility for any property damage or damages arising from personal injury or death that results from the inherent risk of equine activities. Each participant has the sole responsibility for knowing the range of that person's ability to manage, care for and control a particular equine or perform a particular equine activity. It is the duty of each participant to act within the limits of the participants own ability, to maintain reasonable control of the particular equine at all times while participating in an equine activity, to heed all warnings and to refrain from acting in the manner that may cause or contribute to injury of a person or damage property.

I further agree to indemnify, hold harmless and defend the Pine State Pistoleros, the Cowboy Mounted Shooting Association, other association sponsoring competitions, clinics, or events. The management of the competition/clinic/event, and their officers, directors, employees, members or agents and the owners and managers of the grounds where competitions, clinics, or events are held will be protected and held harmless from any and all claims for loss, damages, liability, injury, or death, however caused, resulting directly or indirectly from the rider's entry or participation in the competition/clinic/event or from acts or omissions of rider or rider's agents. I further agree to be subject to the rules of the Pine State Pistoleros and the Cowboy Mounted Shooting Association.

I understand that I am participating in a sport which contains dangers, and risks may arise, including, but not limited to, accidental injury, the forces of nature, illness, or death. In consideration of the right to participate in these events and the services provided for me by the Pine State Pistoleros or the Cowboy Mounted Shooting Association and its agents, I have and do hereby assume the risks associated with such events. The contestant shall at his own expense, defend management and/or all sponsors, their members, or employees from any and all such claims and indemnify, from any and all liability, damage and costs arising from injuries to person or property occasioned by any act or omission of the contestant.

I agree to the use of my photograph and/or my likeness, that may appear in any Pine State Pistoleros or Cowboy Mounted Shooting Association publications or advertisements in any virtual and/or print format.
