

Estrella-El Pomar-Creston Water District

Continuous GW Monitoring Project Report

- April 2022, Board Approved \$9,000 to install two Continuous Monitoring Systems
- 2022/2023 Budget includes \$4,000 for Equipment and unspecified funds for GSI Tech Support

- **March 2023** – Equipment received and ready for installation
 - GSI equipment & install quote: \$7,800
Includes Telemetry not part of original proposal
 - GSI Tech support 4 months & setup: \$2,000
Includes repair and maintenance
 - Portion of GSI Support charged to general fund \$2,000
- Total** \$11,800

- Review of Annual Budget indicates we should be well under budget
