UNITY of Citrus County

Presents: The Woodview Players

In GODSPELL

Godspell is a musical composed by Stephen Schwartz with the book by John-Michael Tebelak. The show opened Off-Broadway on May 17, 1971 and has since been produced by multiple touring companies and in many revivals. The 2011 revival played on Broadway from October 13, 2011, through June 24, 2012.

Godspell is based on the Gospel according to Matthew including the Sermon on the Mount and the Parables as well as the life of Jesus. All performed by a band of misfit hippies using songs and scenes. It contains rousing fun and touching pathos.

Presented at:  
UNITY of Citrus County  
2628 W. Woodview Lane

Fun By The  
Numbers

Like puzzles?  
Then you'll love  
sudoku. This  
mind-bending  
puzzle will have  
you hooked from  
the moment you  
square off, so  
sharpen your  
pencil and put  
your sudoku  
savvy to the test!

Level: Intermediate

### Here's How It Works:

Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

## A Saint Who's Not A Saint

St. Patrick is a man revered in Ireland and around the world. Despite being an influential figure in the history of Ireland and Christianity, St. Patrick is a saint in name only.

Millions of people around the world celebrate whom they believe to be an official saint each year on March 17. However, according to Irish Central and writer Ken Concannon, the formal canonization process in the Roman Catholic Church was not in place during its first millennium, a period of time in which Patrick was active. The official process for canonization was not instituted until around the 12th century, long after Patrick died. St. Patrick joins two other Irish saints

who were never formally canonized. The only Irish saint to be canonized is Fergal, also known as St. Virgil of Salzburg. He was canonized by Pope Gregory IX in 1233.

St. Patrick became a "saint" by popular opinion. In the early years of the Church, many martyrs and those whose lives were especially holy were considered saints, even if they were not canonized. It is probable, with the approval of a bishop, that St. Patrick was considered a saint for these reasons.

The concept of St. Patrick not being an official saint adds to the mystery of the man, who was born in Britain and was said to have converted the Irish from paganism with fabled symbolism that borrowed from ancient traditions.

Even if his status as saint is informal, St. Patrick certainly made his mark, with a world-renowned celebration commemorating his achievements

## CELEBRATE ST. PATRICK'S DAY WITH A STAPLE OF IRISH PUB FARE

St. Patrick's Day may be a celebration of the man who brought Christianity to Ireland, but one need not be Irish to don green and enjoy the festivities each March 17. Irish culture is on display each St. Patrick's Day, and few can resist the opportunity to indulge in some green-clad revelry.

While parades and music garner much of the attention on St. Patrick's Day, food also plays a big role. Cottage pie, often referred to as "Shepherd's pie", traces its origins to the United Kingdom and Ireland. The dish can now be found on the menu at many Irish pubs, but St. Patrick's Day celebrants can prepare from the comforts of their own kitchens thanks to the following recipe from Laurie McNamara's "Simple Scratch: 120 Wholesome Homemade Recipes Made Easy" (Avery).

### Cottage Pie

Serves 6

For the filling:

- 3 tablespoons unsalted butter
- 2 cups diced yellow onion
- 1 cup diced carrot
- 1 cup diced celery
- 3 cloves garlic, minced
- 2 1/2 pounds ground round
- 2 tablespoons tomato paste
- 2 tablespoons unbleached all-purpose flour
- 1/4 cup Pinot Noir (or any good dry red wine)
- 2 cups beef broth
- 1/4 cup Worcestershire sauce
- 4 sprigs fresh thyme
- 1 bay leaf
- 1 1/2 teaspoons kosher salt
- 1/2 teaspoon freshly ground black pepper
- 1/2 cup frozen peas

For the mashed potatoes:

- 3 1/2 pounds russet potatoes, peeled and cut into large pieces
- Kosher salt
- 1 1/4 cups whole milk
- 4 tablespoons unsalted butter
- 3/4 cup grated sharp white cheddar cheese
- 1 tablespoon minced fresh flat-leaf parsley
- 1 teaspoon chopped fresh thyme leaves

To make the filling:

In a Dutch oven, melt the butter over medium-low heat. Add the onion, carrot and celery. Stir to coat the vegetables in butter, cover, and cook, stirring occasionally, for 15 minutes, until soft. Add the garlic and cook for 1 to 2 minutes more. Use a spoon to transfer the cooked vegetables to a bowl.

In the Dutch oven, cook the ground beef over medium heat, breaking it into small crumbles as it cooks, until cooked through. Return the vegetables to the pot and stir in the tomato paste and flour. Pour in the wine and cook for 2 to 3 minutes. Pour in the broth and Worcestershire sauce and add the thyme sprigs and bay leaf. Season with salt and pepper and cook, stirring occasionally, for 30 minutes. Stir in the peas and pour the filling into a 3- to 4-quart baking dish.

While the filling is cooking, make the mashed potatoes. Preheat the oven to 400 F.

Place the peeled potatoes in a pot and add cold water to cover by about 2 inches. Add a generous pinch of salt, cover, and bring to a boil. Crack the lid and cook the potatoes for 15 to 20 minutes, or until fork-tender.

With the lid askew, carefully drain the water from the pot with the potatoes. Return the pot to the stove over low heat. Add the milk and butter to the potatoes, cover, and simmer the potatoes in the milk and butter for 10 to 12 minutes. Season the potatoes with 3/4 teaspoon of salt and mash with a potato masher or mix with a hand mixer. Add the cheddar and stir to combine. Taste and season with more salt if needed.

Use a spatula to spoon the mashed potatoes over the filling in the baking dish and spread them out evenly. Use a fork and drag it along the top of the mashed potatoes to make ridges. These will crisp up and brown in the oven.

Place the cottage pie on a rimmed baking sheet and slide it into the oven. Bake for 20 minutes, or until the top of the potatoes is golden and crispy and the filling is bubbling.

Combine the minced parsley and thyme.

Serve large spoonfuls of the cottage pie in bowls with a sprinkle of the parsley and thyme.

# FACTORS TO CONSIDER WHEN CHOOSING AND APPLYING MULCH

Homeowners may associate mulch with springtime lawn and garden care, but mulching in fall can benefit a lawn as well. According to the Morton Arboretum in Illinois, mulch protects roots against extreme temperatures, and not just those associated with summer heat waves.

Mulch is often connected with its ability to help soil retain moisture during especially warm times of the year, when mulch promotes strong roots that can help lawns and plants survive periods of extreme heat. But when applied in the fall, mulch also inhibits freezing and thawing in winter, reducing the likelihood that plants will be injured.

While applying mulch in fall can be beneficial to lawns, homeowners should first consider a few factors.

- **Timing:** The Morton Arboretum notes that mulch being applied as winter protection should not be applied too early in the fall, as doing so may delay the soil freezing process. Homeowners should wait until after a hard frost in the fall to apply winter mulch. In many places, hard frost will not appear until late fall.

- **Texture:** The Morton Arboretum recommends medium-textured mulch. Fine particles may pack down and retain moisture that will evaporate before it reaches the plant roots. Materials that are too coarse may be incapable of holding sufficient amounts of water

to benefit the soil.

- **Nutrients:** Humus is an organic component of soil that forms when leaves and other plant materials decompose. Organic mulches provide humus and decompose over time, adding nutrients into the soil. The Morton Arboretum recommends that homeowners use organic mulch that was composted or treated prior to application so any weeds, insects or microorganisms are killed.

- **Application:** Correct application of the mulch is essential. Applying too much mulch can adversely affect lawns, plants and soil. In addition, excessive application can cause decay and make lawns and plants more vulnerable to disease. Homeowners uncertain about when and how to apply mulch in the fall can consult with a lawn care professional to devise a plan that ensures their lawns and gardens hold up against winter weather.

Mulch may be widely associated with spring lawn care, but applying mulch in the fall can benefit lawns and gardens as well.

# Monthly Bird Walks

## AT HOMOSASSA SPRINGS WILDLIFE STATE PARK

### 2020 Dates

January 18

February 15

March 21

April 25

October 17

November 28

Birders of all skill levels are welcome to join our monthly bird walks hosted with the Citrus County Audubon Society. Participants meet at 7:45 a.m. at the entrance to the park's Visitor Center; the walk will begin at 8 a.m. Binoculars and a field guide are suggested, but not required.

There is no charge to participate in the bird walk, however regular admission applies if entering the wildlife park after the walk. For more information, visit [FloridaStateParks.org](http://FloridaStateParks.org) or call the park office at 352-628-5343

## Guess Who?

I am a singer born in Canada on March 1, 1994. I kept my singing ability and aspirations largely to myself as a child. However, after performing a cover song on YouTube in 2007, I gained traction and became a pop sensation and international star.

Answer: Justin Bieber

## How North America Shaped St. Patrick's Day

Each March 17, towns and cities are awash in Kelly green as pints of Guinness are lifted in the name of St. Patrick. Even though St. Patrick is the patron saint of Ireland and credited with bringing Christianity to the Emerald Isle, many of the traditions associated with St. Patrick's Day revelry actually originated on the other side of the Atlantic Ocean.

The familiar traditions of St. Patrick's Day, such as parades of pipers, drinking green milk shakes and dining on green bagels, did not originate in the Irish countryside. Many were the product of the prosperity of North America. In fact, the original St. Patrick's Day celebrations of old in Ireland were much more modest and centered on religion rather than revelry. History.com indicates that, since 1631, St. Patrick's Day had been a religious feast day commemorating the death of St. Patrick, a missionary who brought religious teachings to a then-pagan nation. Celebrations were solemn and focused on church and family.

Across the pond, as the numbers of Irish immigrants grew, so did the merrymaking. In cities throughout America and Canada, St. Patrick's Day took on a more celebratory air. Various cities claim to have hosted the first St. Patrick's Day parades and celebrations, with Boston and New York long claiming to be the originators of these traditions. However, according to research discovered by historian Dr. J. Michael Francis in 2017, gunpowder expenditures logs in Spain's Archivo General de Indias indicate artillery was fired for a feast day of San Patricio (St. Patrick) in 1600 in St. Augustine, Florida. In fact, St. Patrick would go on to become the official "protector" of the city's maize fields in this Spanish garrison town. This seems to have been more of a festival than a parade, though it certainly predates celebrations and parades that took place in Boston and New York in 1737 and 1762, respectively, and oddly links St. Patrick with both Irish and Spanish immigrants.

Even still, St. Patrick's Day has evolved to be celebrated in tiny towns and major metropolises all across North America. Boston, New York, Savannah, Chicago, Vancouver, and Toronto all have notable celebrations. Even the famed "corned beef and cabbage" was an American invention. Ham and cabbage was eaten in Ireland, but corned beef proved a cheaper substitute for impoverished Irish immigrants in the United States. It was the cheapest meat to be found at the time, and was soon a staple of the holiday.

St. Patrick's Day remained solemn in Ireland (laws prohibited pubs from opening on holy days until 1973) even as merry-making grew elsewhere. However, with the invention of television, the Irish could see the revelry taking place in America. Eventually, the country took note and started celebrating in a similar fashion.

St. Patrick may have been the patron saint of Ireland, but the fanfare of St. Patrick's Day traces its roots to North America.

## Common Components of Traditional Irish Dress

Various things can represent the culture of a people. Food, music, literature, and even attire can combine to tell the story of a nation and its people. Traditional Irish attire is no longer worn on a daily basis, but such clothing has retained its importance through folk music and dance. Here's a deeper look at some Irish wardrobe pieces that have been worn through the centuries.

- **Leine:** Leine are knee-length shirts that were simple and generally worn by peasants. Men wore just the leine, while women often donned these shirts as undergarments and topped them with open-sleeved dresses.

- **Trews:** Irish dress was sometimes inspired by Gaelic and Norse attire. Checked trews were a form of tartan trouser that many Irish men would wear with fringed coats or mantles. The inside of the trews may have been lined with leather to avoid chafing while riding horses.

- **Dance costumes:** Early female dancers wore ordinary peasant dresses embellished with ribbons to form flowers or crosses. In the early 20th century, the dance costume evolved into a hooded cloak over a white dress with a sash. Eventually the dress design and colors were customized by dancing schools to represent their establishments. However, the most common colors used were blue, green and white. Red was deliberately avoided because of its connection to England.

- **Kilts:** Most scholars will trace the development of the "man's skirt," or kilt, to Scotland. Irish men also wore them regularly, particularly in the early 20th century. The traditional kilt associated with Ireland is the Saffron kilt. It is mustard yellow in color, often with shamrock appliques down the pleat. These kilts were first worn by the Irish military, and they are the most widely worn kilt in Ireland today. Kilts also may be comprised of tartan. Irish tartans are designed to represent the districts and counties of Ireland.

- **Sporrans:** A sporran is a pocket attached to the front of a kilt as a traditional accessory. Many Irish sporrans have shamrocks and green detailing.

- **Knee-high socks:** Traditional dress in Ireland often includes wearing knee-high socks with ribbons that match the color of the tartan.

- **Ghillie brogues:** This is a type of Highland shoe that has long laces that wrap around the ankles before they are tied in the front. These shoes are most commonly worn with kilts. Female dancers have a similar, albeit softer, Ghillie dance shoe that also laces up and is worn with tall socks.

- **Aran sweater:** The Aran sweater (jumper) is a style of sweater that takes its name from the Aran Islands off the west coast of Ireland. A traditional Aran sweater is off-white in color with cable patterns on the body and sleeves. The first of these wool sweaters were made for fisherman and were made from unscoured wool that is naturally water-resistant. These sweaters are a masterpiece of design.

- **Traditional Irish dress is often reserved for special occasions and calls to mind the rich history of the Emerald Isle Saffron kilt. It is mustard yellow in color, often with shamrock appliques down the pleat. These kilts were first worn by the Irish military, and they are the most widely worn kilt in Ireland today.**

Kilts also may be comprised of tartan. Irish tartans are designed to represent the districts and counties of Ireland.

- **Sporrans:** A sporran is a pocket attached to the front of a kilt as a traditional accessory. Many Irish sporrans have shamrocks and green detailing.

# COMMUNITY BULLETIN BOARD

## NEW YORK CLUB

This month join us for our annual picnic at 12 noon in Ft. Cooper Park to celebrate our 34th yr. COST: \$10 pp & \$15 pp for non members. The more the merrier! Call Barbara @ 352-270-8862. Join us on our many trips we have planned for the new year. Yearly dues \$10 pp. You do not have to be a New Yorker to join us. ALL ARE WELCOMED! Call Marie @ 845-667-2900..

## HERNANDO UNITED METHODIST CHURCH

Hernando UMC, 2125 E Norvell Bryant Hwy (486) Hernando will sponsor a "Sell your own Treasures" event on March 14th from 8 am thru 2 pm. Come pick a spot outside to sell your things, but bring your own table as none will be furnished by the church. This event is free to sellers and buyers. Donations will be appreciated. At the same time on the inside Hernando United Methodist Women will hold their bake sale to support their missions. Also inside Pulled pork sandwiches, hot dogs and drinks will be available for purchase from the Friendship cafe. Church phone 352-726-7245.

Hernando United Methodist women will hold their annual 21st spring tea "Showers of Blessings" on March 21st at 12 noon. After a delicious luncheon there will be games, presentation of a skit "The shining Star" by local actresses and door prizes. The cost will be \$10.00. Tickets on sale on Sunday after church. Need more info, call Roxann 527-3948 or Sue at 527-1771.

Hernando United Methodist Church will be hosting its Annual Fish Fry dinner on Friday, March 27th from 4:30-6:30pm. The \$12 ticket (under 5 eat free) will feature a menu of your choice of grits or French fries, hush puppies, slaw, sweet or unsweet tea, lemonade, coffee and dessert. All these along with the delicious fish. Proceeds from this event will go to support Church missions. Hernando United Methodist Church, 2125 E. Novell Bryant Hwy (County Road 486), Hernando FL

## ASCENSION ADVOCATES SOUL GROUP

Meets every Sunday from 3:00 to 5:00 pm in Inverness. A heart-centered group, especially for sensitive empathic souls. A sharing of practical tools, techniques and guided meditations for reaching and maintaining higher vibrational states of consciousness. ### ALZHEIMER FAMILY ORGANIZATION

Debbie Selsavage, President of Coping with Dementia LLC and a volunteer for the Alzheimer's Family Organization, has announced a schedule of family caregiver support groups for 2020.

AFO-authorized support groups are free and open to the public. They are intended to provide ideas, information on resources, and moral support for families living with dementia in a welcoming and non-judgmental atmosphere. While they are intended primarily for caregivers, individuals living with Alzheimer's disease and other forms of dementia are allowed to attend the Citrus County meetings.

Support group meetings will begin at 1:30 p.m. at the Coastal Region Public Library at 8619 W. Crystal Street in Crystal River on the following dates: January 14, February 11, March 10, April 14, May 12, June 9, July 14, August 11, September 8, October 13, November 10, and December 8, 2020.

Support group meetings will begin at 1:30 p.m. at the Cornerstone Baptist Church, 1100 W. Highland Boulevard in Inverness on the following dates: Janu-

ary 8, February 19, March 18, April 15, May 20, June 17, July 15, August 19, September 16, October 21, November 18, and December 16, 2020.

To receive monthly updates and other information from Coping with Dementia, call 352-422-3663 or send your name and e-mail address to deb@coping.today. ## JOKE

So two Irishmen are traveling to Australia. Before they leave home, one of their dads gives them both a bit of advice: "You watch them Aussie cab drivers. They'll rob you blind. Don't you go paying them what they ask. You haggle." At the Sydney airport, the Irishmen catch a cab to their hotel. When they reach their destination, the cabbie says, "That'll be twenty dollars, lads." "Oh no you don't! My dad warned me about you. You'll only be getting fifteen dollars from me," says one of the men. "And you'll only be getting fifteen from me too," adds the other.

# 3 WAYS TO TACKLE SPRING CLEANING PROJECTS IN A SINGLE WEEKEND

Spring cleaning is an annual rite of passage in many households. Because winter weather tends to encourage people to stay indoors more than they would during other times of the year, clutter can slowly but surely accumulate in a home over the course of a typical winter. That makes spring cleaning a necessity.

Few homeowners likely enjoy spring cleaning. The warm weather associated with the arrival of spring makes many people who have spent the previous months indoors less than enthusiastic about spending a spring weekend indoors cleaning and clearing away a season's worth of clutter. But homeowners who organize their spring cleaning projects can ensure such efforts take just a weekend or less.

## 1. Enlist the whole family.

Chances are everyone who lives in the home can lay claim to some of the dirt, grime and clutter that built up over the winter. So it only makes sense that everyone then pitches in to clean the home come springtime. Parents and heads of household can delegate tasks to everyone, incentivizing cooperation with the promise of rewards if the cleaning is completed in a single weekend.

## 2. Clear your schedule.

Another way for homeowners to ensure their spring cleaning projects are started and finished in a single weekend is to clear their schedules for the entire weekend. Homeowners who expect to spend part of their day away from home and still finish their spring cleaning projects will likely find the job unfinished come Sunday night. When planning a spring cleaning weekend, schedule projects for a weekend when you have no prior commitments or plan far enough in advance that

you can avoid making plans on a given weekend. While it might not make for the most eventful weekend, it will greatly increase your chances of getting everything cleaned and cleared out in two days.

## 3. Do your homework.

Homeowners who want to complete their spring cleaning in a single weekend should do their homework with regard to finding local recycling centers or charitable organizations to whom they intend to donate items. Many charitable organizations will come to private homes to pick up donations, but such pickups often must be arranged in advance rather than on the morning of the day homeowners want items to be taken away. In addition, if recycling will be a part of your spring cleaning efforts, familiarize yourself with the weekend hours of nearby recycling plants so you can drop items off on your cleaning weekend instead of leaving them lying around to be donated later.

Spring cleaning might not make for the most enjoyable way for homeowners to spend a weekend. But planning ahead and making efficient use of the time available to them can help homeowners tackle their spring cleaning projects in a single weekend.

Thurs. & Sat. 11:00-3:00  
Friday 11:00-6:00

# **Enrichment Day**

**Monday, February 17th from 10AM-3PM**

Volunteers from Homosassa Springs Wildlife State Park's Enrichment Team have activities and programs planned to explain and demonstrate enrichment of the park's wildlife. Enrichment is a method of stimulating natural behaviors in captive wildlife by encouraging them to use their five senses.

The activities for Enrichment Day are free, however regular admission to the park applies. For questions about this event, contact the State Park at 352-628-5343.

Contractor CAC -1817413

Few things embody the spirit of the open road as well as recreational vehicles, or RVs. The mere sight of an RV traveling alongside them has inspired many motorists to plan their own road trips, and such road trips have only been made better by RVs. While they might seem like a relatively recent phenomenon, RVs actually trace their origins to 1910. According to Go RVing™, an online resource for RV enthusiasts, the first modernized campers were built

## DID YOU KNOW?

in 1910. While those campers were downright primitive compared to modern RVs, the latter would not be possible if not for the development and success of the former. Go RVing™ notes that the 1913 Earl Travel Trailer is an ancestor to the contemporary travel trailer, though people who see one today may mistake it for a modern horse trailer due to its appearance. Modern RVs come in all shapes and sizes, and travelers' options in terms of amenities are endless. Basic RVs can be an ideal, no-frills choice for budget-conscious road trippers. For those who want all the amenities of home but the open road, too, luxury RVs, complete with high-tech indoor/outdoor entertainment systems and stacking washer/dryer units that can put an end to vacation time spent at the laundromat, can make for the perfect vehicle.

# Redemption Christian Church

... a biblically functioning community where you will encounter truth and love in a casual setting

... a friendly, welcoming place. It's a different way to do church. It's not an "us and them" kind of place at all. No matter where you are on your spiritual journey, you are welcome.

... a place where God's Word is preached without excuse nor apology.

Imperfect people worshipping a Perfect Savior!

Currently Meeting at:  
East Citrus Community Center  
9907 East Gulf to Lake Highway  
(352) 422-6535

### Sunday

# JOKES

## Kitchen Jokes

No husband has ever been shot while doing the dishes.

Keep your kitchen clean. Eat out.

A messy kitchen is a happy kitchen. This one is delirious.

Thou shalt not weigh more than thy refrigerator.

My next house will not have a kitchen - just vending machines.
