Subject: Bogalusa - 2025 Millage Ordinance

Hi Dianne –

Some time ago, you asked us to notify the Assessor in advance of when the City of Bogalusa was planning to adopt their annual millage ordinance.

The 2025 Millage Ordinance should be on the agenda for FINAL ADOPTION by the City Council next Tuesday, May 6, 2025, at their regular 5:30 pm meeting at City Hall.

Please let us know if you have any questions. As always, we will furnish you with a copy of the final ordinance after it has been adopted.

Many thanks. . .DMW
