## Newsletter

Dear Members,

Wow...what a **HOT** summer we have experienced. Good news though, the temperatures have been at least 10 to 15 degrees cooler this week. As the temperatures were heating up so were the democrats across our great state. Recently, I saw a map of the areas they are taking over and let me tell you...Texas will turn **BLUE** if we do not work to keep it **RED**. Gov. Abbott and ALL of our candidates need us spreading the word to vote, vote, and vote in the upcoming midterm elections in November. I know you have all heard it but let me repeat it, Pres. Trump needs the senate and congress to stay **RED**. He needs our state to stay **RED**. Marty, Nancy and Rhonda are spending a lot of time doing all they can to help our great Republican party. They walk door to door, make phone calls, deliver handouts and much more. We all need to do our part even if all we can do is **VOTE**.

Our August meeting will be gearing up for the second half of the year. Brenda is delivering us another great program in August. Wayne Mansfield the president and chief executive officer of the Longview Economic Development Corp. will be discussing what is happening in our city. We will also be voting on a few bylaw changes. Karen Maines has been working on these and will present them to us at the meeting. Most of the changes are from TFRW. Also in August we will vote on our nominating committee. If you are interested in being on the committee, I urge you to please let me know before the meeting. I will bring information on the duties of this committee. We are looking for 5 committee members and 2 alternates. The current bylaws state you cannot serve on the committee 2 years in a row. This is one of the items recommended for change in the bylaws. Sometimes there are not enough volunteers and it is needed for a member to serve again.

Also, if you have not reviewed this website, I encourage you to take a look at what President Trump has completed while in office, [PromisesKept.com](http://PromisesKept.com). The President is accomplishing another promise that he made to the American people, one every thirty-six hours. We can use this mighty tool to bring in more members. Spread the word...Trump and the Republican's are **"MAKING AMERICA GREAT AGAIN"**!

Thank you ladies for helping to keep Texas **RED**!

*Kim Martin*, RWGC President

As we gear up for the second half of 2018, we need our membership to be more active. We all paid our dues, we want our voice to be heard, we want to have good programs, we want, we want, we want but yet what do we do? We don't attend meetings, we don't attend events, we don't make phone calls, we don't volunteer for anything, we are complacent to turn in our \$35, application and be done.

**Members we need YOU!** We need to see your faces, we need to hear your thoughts, we need you to communicate with us, and we want you to let us know WHY you can't attend our meetings. I have a few of you who have phoned or emailed me to let me know why you can't attend and I was so glad to hear from you. If you are ill, out of town, death in the family, another event, whatever it might be, we want to know. I can be reached in several ways. My phone number is 903-646-3180 call or text. I have two email addresses:

[rwgc.president@gmail.com](mailto:rwgc.president@gmail.com) or [kim@texasfindahome.com](mailto:kim@texasfindahome.com) Also, feel free to reach out to the other board members if you feel more comfy letting them know. Encourage your friends to come to the meetings. I feel RWGC is an uplifting, encouraging, friendly, optimistic, group of ladies. It is a time when we can fellowship with each other and discuss politics, happening events and so much more. For myself, I have met lifelong friends in this group. I want to encourage each of you to reach out to at least one member whom you have not seen at a meeting, call or send them a card, let them know we have missed seeing their smiling face. It might make that persons day!

**September 18, RWGC will host a C.H.A.T. from 5:30 to 7 pm**  
**We will have a topic and will have wine and light snacks. We are going to ask everyone to come and ask a friend to join us.**  
**The topic and location have yet to be decided. It will be fun and a great social time. Put it on your calendar now!**

## Texanthropy

- The term “Texanthropy” was coined by Texas First Lady Cecilia Abbott.
- Mrs. Abbott believes that we are all called to service. Her top priority as First Lady is to promote volunteerism and service to others through her Texanthropy Initiative.
- She works to elevate the importance and significance of volunteerism and service. She will also shine a spotlight on entities and individuals across Texas who are striving to make Texas a better place through their service to others.
- With help from Texans from all corners of the Lone Star State, Mrs. Abbott wants to work together to promote volunteerism and help enrich the lives of all Texans through “Texanthropy.”

**“Texans are generous by nature. Philanthropy is in our DNA. As First Lady, I look forward to working with all Texans to bring together the two things that I am the most passionate about – Texas and philanthropy.”**

~Texas First Lady Cecilia Abbott
