Republican Women Of Gregg County

Dear Members,

As I prepare this Newsletter, the sun is shining! The sun has so many benefits for our bodies and souls. It is so uplifting, everyone is smiling and giggling today. I love it!

Our February general meeting not only brought rain but it brought a great program. Scott Stevens prepared a great presentation. All of us who attended learned a lot about the appellate court system and how it works. The March 21st meeting we will have Cody Bennett with Camp Hope speaking to us about the PTSD programs offered at PTSD Foundation of America located near Houston. This organization was founded by Gene Birdwell a Longview Native. Bring a friend and join us for this months meeting.

The board is planning a Saturday outing for the membership on April 21. We will meet at The Potpourri House at 11:30 then go shopping at Villages at Cumberland Square. If anyone wants to carpool we can meet at a mutually acceptable place. At our March 21st meeting we will have a sign up sheet for those going and those wanting to carpool. This will be a great time to fellowship and get to know other members of our club that you do not already know.

May is Military Appreciation Month. We want to honor our veterans by buying their lunch at our membership meeting on May 16. It would be great if each member would bring one or two veterans to join our meeting.

July will bring hot days and a C.H.A.T. Membership drive. We will have either a wine and cheese night or a Saturday morning coffee. If you have never been to a C.H.A.T. you are missing out. There will be lots of conversation and fun had by all who attend.

As you can see, a lot of exciting things are happening at RWGC! Be sure to stay up to date on the events. Check out the web site and our Facebook page. Meetings, events, and news is posted on a regular basis. I am so excited to be a part of this group of REPUBLICAN women. Thanks to all of you for helping our club be what it is and for standing up for your beliefs.

See you soon and remember to vote on March 6.

VOLUNTEER

As a volunteer run organization, we still need help in many areas! If you are interested in being a part of the amazing group of ladies that keep this club running, please fill out our volunteer application!

Recently, associate member Jack Carlton donated 2 sets of 4 children's books written by Callista Gingrich. The books feature Ellis the Elephant. Each one represents a story about American History. The books will be given to the Longview Library and Broughton Library. The librarian at Broughton has suggested we read the books to the students. It has been suggested we also bring popcorn. Brenda Carlton, is scheduling a day in March for us to present the books on behalf of **The Barbara Bush Foundation for Family Literacy.**

Dear Friends,

I wanted you to be among the first to know that I have officially announced my candidacy for Chairmanship of the Republican Party of Texas. I did not seek this position. However, I could not fail to answer the call for a candidate who could bring honesty, integrity, fiscal responsibility, and unity to the RPT.

Our country is threatened by a radical, liberal philosophy of government, and the only thing standing between California and New York and the complete takeover of our country is Texas. The fate of our nation hangs on our ability to withstand the forces of liberal Democrats who want to take over our state and elect Democrats to office. What happens here in Texas politics will affect the nation. Our right to worship according to our deeply held religious beliefs, our right to protect ourselves and our families, the right to life from conception to natural death, and so many more core values that we hold dear could be lost in the next few years if we fail, and failure is NOT an option!

There is simply too much at stake. We cannot lose Texas. To ensure that Texas stays red, now and in the future, the Republican Party of Texas must remain strong, unified, and financially sound. I believe our Party can and must do more and be more. George Soros and his liberal cronies have set their sights on Texas. They know if they flip Texas, there will be no going back. More than ever, the Texas GOP must rise up and defend our turf. We need landslide victories in 2018 to send a loud and clear message that Texas is not up for grabs - not here, not now, not on our watch. I'm ready and willing to take the fight directly to the Democrats. I hope you'll join me.

My leadership experience as a former ER Manager – especially under pressure and in extremely difficult situations – coupled with being a woman, wife and mom, make me uniquely qualified to serve as Chairman of the RPT. In a time where we are inundated with media coverage of "women's issues" and "pink hat marches", it is imperative that conservative women stand up, speak up, and lead. Today, I'm standing up. I'm speaking up. And I'm willing to lead if you choose to elect me.

The Election of the next Chairman of the Republican Party of Texas will take place at the Texas GOP Convention in San Antonio June 14-16. I would be honored to have your confidence and ultimately your vote. If you would like more information on who I am and what I believe, visit www.CindyAsche.com.

God Bless You and God Bless Texas,

Cindy
