

Monthly Net Preamble

Remember, [*INSERT YOUR NAME & CALL SIGN*] below...

----- **Frequency 145.190 MHz** -----

Good evening, this is [*INSERT YOUR NAME, & CALL SIGN*], tonight's Net Control, on behalf of K7MAR, opening this session of the monthly **K7MAR Marion County ARES Check-in Net**. All amateur radio operators are encouraged to participate in this Net. This Net will provide general amateur radio information for the greater Salem area and the Marion County AUX COM group.

This Net meets monthly on the third Monday at 6:30pm local time, on a frequency of 145.190 MHz, with a 100 tone, through the courtesy of WA7ABU and Marion County. At the conclusion of this portion of the Net, we will migrate to a simplex check-in on 146.460 MHz.

This is a directed Net. To break this Net, please give your callsign, using the standard ITU phonetic alphabet, along with your name and location. All stations checking in to this Net are requested to remain on frequency until the Net is secured or they are excused by Net Control.

Do we have any check-ins from Marion County? Please check-in now.

Are there additional check-ins from any direction? Please check-in now.

Do we have any announcements for the Net?

Reminders:

This month's **K7MAR Marion County ARES Check-in Net** will be 6:30pm local [*INSERT THIRD MONDAY DATE*].

Next month's **Marion County ARES Meeting** is [*INSERT FIRST MONDAY DATE*]. We encourage anyone interested to attend.

Additional information related to **Meetings** or **Check-in Nets** can be found on our website, **K7MAR.com**.

Hearing no other announcements, lets have one last call for late check-ins from any direction for the **K7MAR Marion County ARES Check-in Net**. Please check-in now.

Hearing no further check-ins, it is time to close this portion of the Net on 145.190 MHz and move on to check-in on the simplex frequency of 146.460 MHz. I wish to thank all stations for their participation, as well as those who stood by to give us a clear operating frequency. We thank WA7ABU and Marion County for the use of their repeater.

This is [*INSERT YOUR NAME, & CALL SIGN*] on behalf of K7MAR, securing the **K7MAR Marion County ARES Check-in Net** at [*INSERT CURRENT TIME*] pm local time. Please move to 146.460 MHz frequency now. This frequency is now clear and is returned to regular amateur use. Good night.

----- **Change to 146.460 MHz** -----

This is [*INSERT YOUR NAME, & CALL SIGN*] on behalf of K7MAR opening the simplex portion of the **K7MAR Marion County ARES Check-in Net**. Because this is simplex, please provide a RELAY to extend range and improve connectivity when necessary.

Do we have any check-ins from Marion County? Please check-in now.

One last call for check-ins from any direction. Please check-in now.

Hearing no further check-ins, it is time to close this portion of the Net. I wish to thank all stations for participating, and those who stood by to give us a clear operating frequency. Thanks for your participation.

This is [*INSERT YOUR NAME, & CALL SIGN*] on behalf of K7MAR, securing the **K7MAR Marion County ARES Check-in Net** at [*INSERT CURRENT TIME*] pm local time. This frequency is now clear and is returned to regular amateur use. Good night.
