

Warning:

These photos were found on an SD card inside a Canon camera left behind in Pepper Canyon Apartment 110a. The following is a sequence of the unedited files, arranged in the order of their time-stamp. Viewer discretion is advised. Entries were also uncovered around the same time the photos were captured.

03-19-25 : 02:03:03 am

" ... haha, what is she
doing. Must be sleep
walking... what a weirdo"

03-20-25 : 01:17:23 am

" ... this girl is up again
what the hell"

03-21-25 : 01:32:09 am

" ... creepy... is she
washing dishes she's just
been standing there for
20 minutes"

03-22-25 : 03:22:11 am

" ... I don't know how this
was taken..."

03-23-25 : 02:42:29 am

No entries were written
this day. This was the
last photo taken of the
girls. They have been
missing ever since.
