

SOCIAL STORY - PRIVATE LESSONS

Professor Pedals teaches bicycle riding to kids and adults. A Trainer will be there to help you have fun and keep you safe. The adult that brought you to your lesson can stay too.

SOCIAL STORY - PRIVATE LESSONS

You will need to wear a bicycle helmet during your lesson. You can take it off during breaks.

SOCIAL STORY - PRIVATE LESSONS

At the lesson your Trainer will need to touch you and your bicycle. This is how we help teach you how to ride a bicycle.

At your lesson, pay attention to your Trainer and follow instructions. If you have questions or need to take a break, raise your hand and ask your Trainer.

At the end of your lesson, you will get special stickers. If you do not want them you can say “no thank you.”

Have a great time at your lesson!
