Dutch Belted Bulletin

The Official Publication of the Original and Only Herdbook of Dutch Belted Dairy Cattle in America,
Established in 1886.

April 2026

"My stock is kept as a practical dairy herd and is not pampered for show purposes. It is my aim to have my cows live long, healthy profitable lives and to drop thrifty, vigorous calves."

G. G. Gibbs, 1910

Mr. Gibbs expressed a breeding philosophy that is valuable for our times, as well.
His cows are pictured above, and his historic herd is featured in this issue beginning on page 4.
