

Court-Ordered Substance Abuse Assessments

Getting you back on track.

MEDICAL INTERVIEW

45 to 90 minutes in-person interview with a licensed social worker, psychiatrist, or APN.

INTERVIEW TOPICS

- Medical background
- Drug and alcohol use
- Drinking patterns
- Personal attitudes

TYPES OF OFFENSES

- DUI / DWI
- Drug or alcohol possession
- Drug trafficking or unlawful distribution
- Disorderly conduct
- Public intoxication
- Using a false ID

WHAT HAPPENS NEXT?

Once the assessment has been surveyed, our clinicians will determine if your offenses indicate that you are, in fact, struggling with a substance use disorder. From there, we will discuss treatment and support options.

PAYMENT & FEES

Each assessment is a flat rate fee of \$250. If applicable, additional services can be covered by insurance.
