

WHY BOA?

Why should I volunteer at the stadium?

- To support the NWSA music department!
- To get to know other music students and families.
- To help raise money for the growing needs of our programs.
- To earn money that your family can use toward Music Department Fees and put toward trip costs (More about this at our music department orientation soon)

Why should I volunteer in a **leadership**** position?**

- If you have worked at the stadium previously, to help others learn the process.
- To mentor our students.
- To be considered *priority* for chaperoning field trips.
- To earn money that your child can put toward field trips!

We thank you for your service to the music department at NWSA. Please feel free to reach out with any questions.

Sincerely,

Ashleigh Cook, Erica Hefner, Aaron Lafreniere, Stephanie Madsen, and Kristin Stonnell
