DOB: 4/2/16

LM BY COACHHOUSE INSPECTOR

DUE HER 9TH CALF

Her last calf 'Spike' is available to view with the bull calves forward and daughter 'Socks U21' can be viewed with the in calf cows.

She has a 280 day average gestation with birthweights averaging 43.9kg.

Good cow who calves under the year. Been a very reliable servant. Reluctant sale but have retained Granddaughters of her.

U23/S23

**SERVED 18/3/25 BY AI TO BELGIAN BLUE
BULL TANGO DU RENAUMONT**

UK 141156 302076

DOB: 23/1/22

**BB X BA X BB BY GREYSTONE POPCORN
DUE HER 2ND CALF**

Her first calf has been retained. Her mother S23 is available to view with the in calf cows.

She was born at 274 days gestation weighing 39kg.

Did a great job of her calf and is back in calf under the year. Real flashy looking cow and bred quality to Tango, so repeated the cross.

T4/O3

**SERVED 19/3/25 BY AI TO LIMOUSIN BULL
AMPERTAINÉ LANCE**

UK 141156 202019

DOB: 25/12/21

BB X LM BY IDEAL DE PETIT WARET

DUE HER 3RD CALF

Her last calf 'Tink' T4/24 is available to view with the heifer calves forward. Her mother O3 and grandmother are available to view with the in calf cows.

She has a 280 day average gestation with birthweights averaging 37.6kg.

Appearances are deceptive, and this is the most productive cow of the group. Weaning a 300kg+ calf at under 200 days, so well over 60% of her own body weight. A reluctant sale.

M3

**SERVED 25/3/25 BY AI TO LIMOUSIN BULL
TOMSCHOICE SCORPION**

UK 141156 501252

DOB: 11/03/15

LM X BB BY COCKLESHEEL ISAAC

DUE HER 10TH CALF

Her last calf 'M3/24' is available to view with the heifer calves forward. Her daughter O3 and granddaughter T4/O3 are available to view with the in calf cows.

She has a 295 day average gestation with birthweights averaging 50.5kg. Calves on the year. A very productive cow. Never been a spot of bother and left a good legacy of breeding females.

T2/P2

**SERVED 19/4/25 BY AI TO BELGIAN BLUE
BULL NEVADA VAN KRAKEHOEVE**

UK 141156 402000

DOB: 11/12/21

LM X BB BY LOWERFFRYDD EMPIRE

DUE HER 3RD CALF

Her last calf has been retained.

She has a 290 day average gestation with birthweights averaging 44.2kg.

Lost time this last year through no fault of her own. - Greystone Popcorn was the bull with her initially and he proved infertile. The repeat of Nevada will likely yield another red roan. Red roan daughter has been retained and is a quality animal.

SOCKS U21

**SERVED 27/4/25 BY NATURAL SERVICE TO
BRITISH BLUE BULL TORRINGTON TODDY**

UK 141156 602093

DOB: 04/12/22

LM X BB BY ADAPTE DE FOOZ

DUE HER 2ND CALF

Her first calf 'U21/24' is available to view with the heifer calves forward. Likely to make a show calf. Her mother N11 is available to view with the in calf cows.

Her calf was born at 279 days gestation weighing 37.6kg.

Lost time this last year through no fault of her own. (Popcorn).

O3

**SERVED 30/4/25 BY AI TO BRITISH BLUE BULL
GREYSTONE PONCHO (PHOTO OF HIS FATHER
LUTIN DE BOUCHELET)**

UK 141156 601435

DOB: 18/1/17

LM X BB BY NEWRODDIGE HIGHFLYER

DUE HER 8TH CALF

Her last calf 'O3/24' is available to view with the bull calves forward. Her mother M3 and daughter T4/O3 are available to view with the in calf cows.

She has a 289 day average gestation with birthweights averaging 45.5kg. Calves on the year. Does a phenomenal job of rearing her calf. Typically in the top 10% for DLWG.

WILDMORE REDIGO

**SERVED 25/1/25 BY NATURAL SERVICE TO

PEDIGREE LIMOUSIN BY FIELDSON NANI

DUE HER 5TH CALF

Her last calf '174/24' is available to view with the bull calves forward.

Sensible gestation for a pure LM with birthweights averaging below 44kg.

Good mother, who had a section as a heifer and 3 unassisted calves since.

Has calved on the year each year.

WILDMORE RAINBOW

**SERVED 19/3/25 BY AI TO BELGIAN BLUE
TENACE DE LA PRAULE**

UK 146640 100169

DOB: 5/1/20

PEDIGREE LIMOUSIN BY FIELDSON NANI

DUE HER 5TH CALF

Her last calf '169/24' is available to view with the heifer calves forward.

Average gestation of 283 days with birthweights averaging below 37kg.

Good, fertile, mother, who has bred only heifers to date and calved unassisted to Blue.

Has calved on the year each year.

PURE LM 'PEBBLES'

**SERVED 3/4/25 BY AI TO BELGIAN BLUE
CACTUS DU MOLIGNA**

UK 146640 200156

DOB: 20/11/19

**PURE LIMOUSIN BY MAMBYGRANGE NAT
DUE HER 5TH CALF**

Her last calf '156/24' is available to view with the bull calves forward.

Sensible gestation for a pure LM with birthweights averaging below 48kg.

Very good cow, unfortunately her calf was backwards last year and required a section, but she recovered quickly and held to 2nd serve. No hesitation in calving her again.

Has calved on the year each year until her section last year; only slipping 14 days this time. Catus has proved to breed quality, so been used here to maximise his potential.
