AMBASSADOR PATHWAY

You may be wondering why Advocates don't earn 10% commissions like Ambassadors.

Example: An Advocate pay is \$625 per week vs. an Ambassador entry level is \$760 per week. When a customer/client purchases a \$1,250 product/service, an Advocate's bonus is \$25 vs. an Ambassador's bonus is \$125.

That's because Advocates are not paid like Ambassadors.

Ambassadors earn more — including team overrides, leadership bonuses, and commissions — but access is limited.

INTERNATIONAL COMPLIANCE

This Agreement is governed by U.S. law. International Advocates must comply with their own tax and business obligations. By agreeing, you confirm this compliance.

SAFE HARBOR CLAUSE

Scripts, tools (like Hero CRM), and templates may be provided as guidance only — you are not required to follow them exactly. You maintain control of how you perform the work.

MODIFICATIONS

We may update this Agreement to protect you and the company. A 7-day notice will be given. Changes will not apply retroactively.

TERMINATION

This Agreement may be ended immediately for cause (fraud, policy breach, misconduct)
Or by either party with 10 days' written notice
