ONLINE BETTING SOLUTIONS

Excited to introduce

POWERBALL

Companies that have integrated our solutions added 8.2% (AVG) to their player value in the following 6 month

mandogames.com

mando•games

THE SERVICE

Super engaging betting game, that settles each round based on the official Korean Powerball game (파워볼)

WHY POWERBALL

Our online betting game is guaranteed to boost your brand's revenue

The Korean betting industry keeps growing - and fast!

Looking for new thrills, the Koreans rush to Powerball, a lottery based game that draws a round **every 5 minutes** and offers simple markets.

● Powerball partner revenue (integrated with BetConstruct's platform at 2020)

mando•games

END-TO-END CASINO GAME

- Branded design to keep your players experience (EN/KR)
- Seamless wallet (integrated to your existing platform)
- Players transactions and settlement handling
- Back-office access to track your revenue anywhere
- 24/7 support through different channels as Skype

AMONG OUR PARTNERS

ABOUT US

Based on years of experience in the online betting industry, our team knows how to win!

At mandogames, we know that time is money, and developing time in the betting industry is **fortune**.

Driven by that thought, we offer easy to integrate end-to-end SaaS products, designed for your online casino and sportsbook brands.
