Ally Biddlecomb is a junior at Northumberland High School, has been named the teen board member at the Reedville Fishermen's Museum.

Ally will attend museum Board of Directors meetings "with a voice, but not a vote," said Shauna McCranie, the museum's executive director. "It's great experience for them to serve on a board and see how a board works."

Ally will serve as a liaison to other youths to help with projects at the museum. She said she has volunteered there for several years, such as helping at the Oyster Roast and the Fourth of July activities. A lifelong Reedville resident, Ally is surrounded by several generations of family.

Ally will serve for two years. She replaced her friend Anne Shackelford, who is starting Virginia Tech. Anne filled her in about the opportunity. "It seems fun, and I want to be involved in the community," Ally said.

Youth volunteers such as Ally earn community service hours needed to graduate, said McCranie.

Ally attends the Chesapeake Bay Governor's School part of the day. When she graduates from high school she will simultaneously earn an associate's degree from Rappahannock Community College.

She's a member of the Beta Club, dance team and volleyball team. She's also on a travel volleyball team. And she has worked part-time at Fawn's Delectables Cafe in Reedville since it opened two years ago.

WAR *on the* INLAND SEA

THOMAS
BRIGGS

The Museum's own skipjack captain, Tom Briggs, has written a novel of historical fiction set during the French and Indian War.

War on the Inland Sea is a tale of naval adventure, loss and deprivation. The narrative follows a young merchant sea-captain who works with the Royal Navy to build a fleet on Lake Ontario. Told from three perspectives – the British, French and Native American – the novel is a story of war on the edge of civilization.

Available at the Museum shop (*or online retailer*) !!!

We are currently looking for someone to Chair "Kids Christmas in Reedville". Please email the office if you are interested in Chairing or being on the committee.

NOW ACCEPTING, CAR DONATIONS!

The majority of the museum's operating budget comes from the sale of donated boats and other items. This year we have expanded our program to include cars! Our inventory is low. Please consider the museum when deciding how to dispose of a boat or vehicle that you no longer need. We can pick up the vessel or car and provide the necessary paperwork for tax purposes. Your contributions greatly help the local community and our beloved museum. Please email us at donations@rfmuseum.org for more information on how to donate or to inquire about our current inventory!
