Opening Spiritual Eyes

Scripture:
2 Kings 6:15-17

Theme Thought

God often reveals possibilities that cannot be seen with natural eyes. Spiritual vision enables believers to trust God's presence and power even when circumstances appear overwhelming.

Background

Elisha and his servant were surrounded by the Syrian army. Fear overtook the servant, but Elisha prayed that God would open his eyes to see the heavenly host protecting them.

Key Lesson

Faith sees beyond fear.

Discussion Points

1. What causes believers to lose spiritual perspective?
2. How does fear affect our ability to trust God?

3. Why is spiritual vision necessary for walking in God's direction?
4. What does it mean to see with the eyes of faith?

Life Applications

- God's resources are greater than our obstacles.
- Fear should never determine our future.
- Prayer opens our hearts to God's perspective.
- We must trust what God reveals even when circumstances suggest otherwise.

Reflection Question

"What situation in my life requires me to ask God to open my spiritual eyes?"
