

SCTE SOCIAL CHAPTER NEWSLETTER

FEBRUARY 2024

UPCOMING EVENTS

SoCal Vendor Day – April 2nd & April 3rd. Registration Link

[REGISTER](#)

April 2nd at the Sheraton in Cerritos

*****Free Admittance to all active SCTE SoCal Chapter Members*****

Technical Session Brought to you Viavi.

Reverse Sweepless Sweep (Docsis Sweep) - Presenter: Juan Castro 8 am & 9 am

OTDR Fundamentals – Presenter: Jeremy Davis 8 am & 9 am.

Vendor Tabletops – The floor is open from 10 am – 5 pm.

West Region Cable-Tec Games 1 pm.

Cable-Tec Games provide an arena for contestants to compete in events that measure their technical abilities in seven categories: cable splicing, meter reading, cable jeopardy, OTDR, fiber splicing, drop connection, and MTDR. Each year, first-place winners of the local competitions are recognized for their achievements as they gather to compete on an international level during SCTE Cable-Tec Expo® for the international gold, silver, and bronze awards.

The winner of the West will have an opportunity to compete at next year's Cable Expo. Click on the link below and scroll down to learn more about Cable-Tec Games.

EVERYTHING YOU NEED FOR YOUR CAREER. NOTHING LIKE YOU EXPECTED.

Becoming an SCTE member isn't a one-time event. It's only the first step in an always-on movement. To relentlessly pursue knowledge and career advancement. To keep up with our continuously updated content. To network with the cable telecommunications industry's most innovative thinkers. You work in an industry that is constantly evolving. It's time to join the evolution.

Maximize the value of your SCTE Membership. Scroll down to see our entire list of membership benefits and resources with quick links to the activity and easy access to cable information.

EDUCATION & Development – Click on the displays below for more Info.

SCTE Leadership Institute Programs

Through partnerships with highly regarded institutions and organizations, SCTE's Leadership Institute programs are designed to enhance the careers of current and future leaders by leveraging the best and brightest minds and educators both within and outside of the cable telecommunications industry.

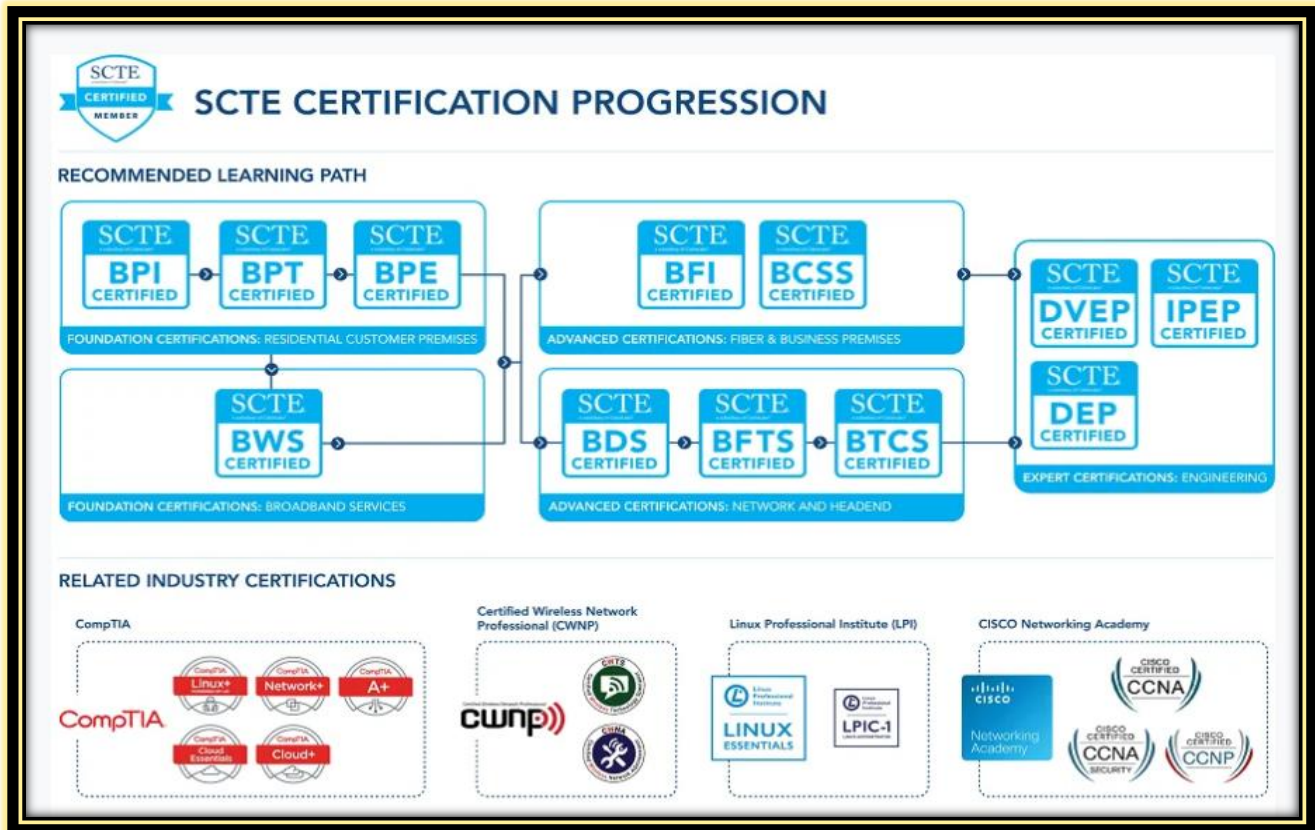

Microlessons

Microlessons are short; focused learning segments made available only to our members. Our learner-centric, just-in-time training is available on multiple devices, is easily accessible, and is meant for you to be able to apply to your job immediately.

Professional Certifications

DID YOU KNOW?

**ATTENTION
CABLELABS®
MEMBERS**

Did You Know That You May Have Access to Education and Programs to Enhance Your Career?

If your company is a member of CableLabs®, you also receive complimentary benefits from SCTE®.

SCTE provides you with cutting-edge courses that enable you to own and enhance your career, opportunities to influence the future of the industry and discounts on professional certifications to demonstrate expertise.

Engage in programs such as courses and standards working groups — included as part of your company's CableLabs® membership.

Activate your benefits today at scte.org/allaccess

To join, scan the QR code and enter your info, including your company email. Be sure to select the Southern California Chapter on the My Chapter tab.
