ABOUT THE OPPORTUNITY

Position: Systems Administrator

Location: South Africa

Position Type: Full-time, Mid-level

Department: Information Technology

Reporting To: IT Infrastructure Manager

Closing Date: 29 August 2025

- Maintain Critical Systems at South Africa's Next International Hub
- As [Airport Name] prepares for its transformation to a Category 5 airport, we seek a skilled Systems Administrator to ensure 24/7 reliability of our expanding IT infrastructure. This role is pivotal in supporting the technology backbone that will serve 200 thousand+ annual passengers during our R650 million upgrade.
