HABRON®
## information technology pvt. Ltd

Classic Software

Barcoding

**Easy Operational
Bar-coding Facility...
With Runtime Ledger**

Inventory control improves. Because **Barcodes** make it possible to track inventory so precisely, inventory levels can be reduced. ... **Barcodes** provide better data. Since one **Barcode** can be used for inventory and pricing information, it is possible to quickly obtain data on both.
Accounting

**Accounting Facility With
Cheque Printing &
Final Balance Sheet**

Profit describes the financial benefit realized when revenue generated from a business activity exceeds the expenses, costs, and taxes involved in sustaining the activity in question. ... Profit is calculated as total revenue less total expenses..

Receipt Printing

**Receipt Printing
Bill wise Payment...
Party wise Payment**

1 The Cash Payment Receipt Can Be Downloaded From This Site. ...
2 Introduce The Payment Recipient As The Issuer Of This Receipt. ...
3 Produce The Documentation For This Cash Payment. ...
4 Payment Information Must Be Included To Define The Cash Received.

Analysis Report

**64 Report types
Dead stock analysis
Party wise repots**

The sales department doesn't know how to pitch a product (ouch).
The product itself may not be good enough for customers.
The product is too expensive for what it offers.
The product doesn't actually have a market, and doesn't answer people's needs.

Gst

**Govt. approved format
B2BCS,B2B,HSN wise
Summary, Doc & Excle**

Countries where the Goods and Service Tax has
helped in reforming the economy, apply only 2 or 3 rates –
one being the mean rate, a lower rate for essential
commodities, and a higher tax rate for the luxurious
commodities. ... The impact of GST on macroeconomic
indicators is likely to be very positive in the medium-term.
Multi User Login

**Secured with User wise
login to Avoid cash theft
& other benfits... !**

A multi user operating system allows to permission
of multiple users for accessing the single machine at a time.
All different users can access that system running operating
system with the help of several terminals, which are
connected in networking form

Sales Reports

Sales repots with day Wise & monthly Analysis.... !

The importance of sales reports cannot be overestimated. They help managers to monitor the performance of their sales team, plan effective sales strategies, decide on a sales forecasting process and most importantly, maintain or reduce the length of the sales cycle.
