EDUCATION AND STANDARDS REPORT

- Breed Standard Sub-Committee** - The Boykin Spaniel Breed Standard was Approved by the American Kennel Club and adopted April 2, 2019. Once a standard is approved, there is a five-year moratorium on revisions. A revision consists of any change, deletion, interpretation, or clarification to a standard.
- Mentoring** - AKC on Mentoring/Ringside Observation - We continue to host Seminars, workshops, several ringside mentoring, electronic tutoring and mentoring and kennel visits.
- Junior Showmanship** - We are in process of updating the E&S Charter adding Junior Showmanship and establishing junior recognition & awards. The team leader is Shannon Lambert.
- Education** - Meet the Breed in July, 2025 at the Houston Show went very well. Several members came with their Boykins. We hosted Judges Education Seminar at the July, 2025 Houston Show and conducted a Judges Ed Seminar & Hands on Workshop this July 2025. We most recently hosted Judges Education Seminar January 9, 2026 at the American Spaniel Club Flushing Spaniel Show in Knoxville, Tennessee.
- Judges Education Presentation** - The Judges Education PowerPoint presentation is presented at Judges Education Seminars which is a briefing on the Breed. We continue to update verbiage and pictures. All seminars use the same presentation. This helps ensure that all presenters are saying the same thing or at least similar and presenting the Boykin as it should be presented. While a living and ever-changing document, the presentation has been standardized with a consistent message. We continue to receive positive comments on our presentation.
- Boykin Spaniel Judges Breed Study Guide, Illustrated Standard and Breed Standard** will be combined to one document and looking to convert into a handheld for judges to access and carry with them. Presently a work in progress. We have been asked and are considering establishing a Canine College Course for Boykin Spaniels through the AKC. This is an online course.
