PRESIDENT'S LETTER

The committee members and the Board of Directors of the Boykin Spaniel Club and Breeders Association of America, the AKC Parent Club for Boykin Spaniels are working hard on club business with regularly scheduled meetings. As the fall comes in and the hunting begins, we are anxious to get in the field working and hunting with our Boykin Spaniels! We wish all happy hunting and a successful season. We had a great showing at the Houston Show in July with Meet the Breed & Judges Seminar, see [page 8](#).

We recently experienced devastating floods in the hill country of Texas that took many lives including young children. Many families continue to suffer from this experience and we hold them in our prayers and thoughts. Please read Kathleen Yeaman's article on [page 9 & 10](#) about her Boykin and Angel Paws together providing console in the aftermath.

We are anticipating the upcoming 4th Annual BSCBAA National Specialty in West Friendship, Maryland on Saturday, February 28, 2026 with Maryland Sporting Dog Cluster at Howard County Fairgrounds, [February 27-March 1, 2026](#). We are looking forward to a great turnout in conformation and performance events. Please read the article by Stacy Fox highlighting this upcoming event on [page 11](#).

We also would like to highlight our 4th Annual Photo Contest, deadline is here [September 15](#). Hurry and get your photos in, we would like all to participate. All participants will help create our 2026 Boykin Spaniel Calendar. All photos will also be featured in our brochures, website, social media platforms, newsletters, and our club's presentations.

Please join us in Tennessee at a Supported Entry Show with The Tri Star Kennel Club of Williamson County, TN (TSKCW) and Tullahoma Kennel Club (TKC) at the The Harvest Cluster October 8, 9, 11 & 12. [Closes September 24](#).

PRESIDENT'S LETTER CONTINUED

There are a lot of informative and interesting items, articles, upcoming events and brags included in this newsletter, please take the time to read thoroughly and enjoy. We urge you to participate and get involved. There are many opportunities for you to join committees and/or sub-committees (see current list of committees and chairs on our website) or simply participate in future events. Plans are also in works for our fundraisers - online items (watch on Facebook), Clay Shooting, field training, informative Zoom Meetings, and various work on different committees, establishing the club's Best Practices & Standing Rules Policies and continued work on obtaining full AKC membership. All input is welcomed! Just email us at news@TheBoykinSpanielClub.com

Happy Hunting, Training, Adventuring, Competing, Loving your Boykin and please take precautions for you and your LBD this season.

We are grateful for your continued support as we move forward with establishing new roads while we continue to foster long-standing traditions. We are here to support you and your Boykin Spaniel in all your endeavors.

Remember the BSCBAA's Slogan:

"Dedicated to all the things you do with your Boykin Spaniel!"

JULY'S HOUSTON SHOW, MEET THE BREED & JUDGES ED SEMINAR

© 2025 The Boykin Spaniel Club and Breeders Association of America, Inc

The Houston World Series of Dog Shows at NRG Center in Houston, TX July 16-20, 2025 was a great success for the Boykin Spaniel Breed and the BSCBAA. The BSCBAA was asked to host a Judges Education Seminar Presentation and Hands-on Seminar on July 17th. It was a great success with eleven judges and four BSCBAA members in attendance. The Seminar was led by Ginger Hurley and assisted by mentors: Roslin Copeland, Sharon Kauzlarich and Katie Eaton. The BSCBAA Presentation was recently updated and received with many positive and favorable comments. We had several Boykin Spaniels there for the hands-on portion and mock show.

It was a long week with several Boykin Spaniels in the show ring and many successes. Congratulations to all that attended and to all that had success during the week.

We ended the week hosting an AKC Meet the Breed for Boykin Spaniels on Sunday, July 20. We had several volunteers with their Boykins to present and educate the public. Thank you to the volunteers and thank you to their Boykins for being such great ambassadors for the Breed!

COVEY AND ANGEL PAWS: THERAPY MINISTRY

© 2025 The Boykin Spaniel Club and Breeders Association of America, Inc

Covey, the best boy ever, is a Therapy Dog participating in our church pet therapy ministry, Angel Paws. Our director knew the impact dogs can have in lowering stress and bringing comfort, so she presented the ministry opportunity to the church. In 2019, Covey joined in the third class of dogs and he is now the oldest dog in the program at 11 years old.

Covey and I get to visit people of all ages and stages. He excels in his memory care visits. We have made friends, and he has a fan club at our assisted living center. One friend was at the center in memory care for several months before we met her. She was having a difficult time adjusting to the change and was confused. At the end of a visit from her husband, Covey and I arrived. When she saw him, she wheeled herself over and gave him the biggest hug. Covey leaned into her too. She had tears in her eyes and shared with me that she just gets overwhelmed when she comes out of her room with all the people who don't have regular family visits, so she isolates to pray. That is exactly why we visit. I have been able to pray with her regularly and she looks forward to our visits. After that first visit, she started joining the group activities more and now she is out every time we come. She told me she loves Covey because, "I looked into his eyes and he stole my heart."

On July 4, 2025 devastating flash floods tore through the Texas Hill Country. Living in Houston my whole life, I know the impact of natural disaster. Our team knew we needed to mobilize because we had something unique and meaningful to share. Five days after the flood, we loaded up 4 dogs and six adults in a van with no plan and drove the four hours to Kerrville. On the way, one member received a reply from a social media post from a local reporter who was on the ground in Kerrville. He wanted to meet us and interview us for the 6:00 news that evening. He gave us locations we needed to visit to bring comfort. We know that God used that social media post to guide our visits throughout the day. We left without a plan, and God directed our steps.

During that visit, we visited a church that was acting as a home base for first responders, feeding them meals and offering showers and a place to park. We met responders from all over the state and country. Covey brought the joy and hugs they needed as they were facing the unimaginable. They had no idea what they would find each time they went into the field, and some had no idea how long they would be deployed. We prayed with many. One encounter will stay with me forever. The story became personal, even though I never knew them. A local first responder approached me with something in his hand and a face full of emotion. He asked, "Can I ask something of you?" I told him I would help in any way I could. He then handed me a bone shaped tag from a dog collar with the name "Tucker" on it. On the back were Tucker's owner's phone numbers. He informed me that he had found Tucker's remains and had taken the tag to make a notification. He said, "Because you are a pet therapy ministry, maybe you can deliver the news better than I can." How could I refuse?

COVEY AND ANGEL PAWS: THERAPY MINISTRY CONTINUED

© 2025 The Boykin Spaniel Club and Breeders Association of America, Inc

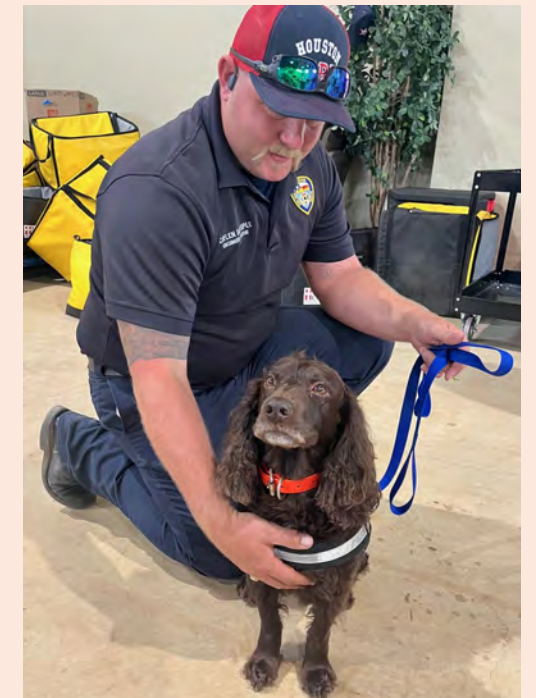

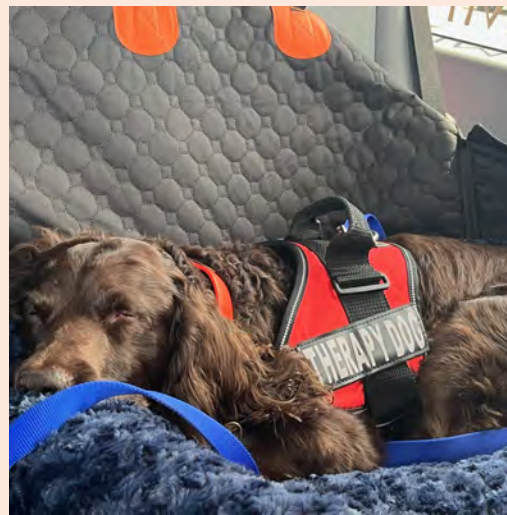

I think deep down, he suspected Tucker's family may not have survived the flood and his heart couldn't take it. I proceeded to call the first number on the tag and got voicemail, but the owner gave her name in that message. I left her a message informing her that Tucker did not survive and that the first responder respectfully and lovingly took care of him. But even then, I had a sinking feeling in the pit of my stomach, so I searched the list of missing people from the flood. Sadly, I found Tucker's owners were still missing. I then saw a social media post from a family member seeking information about them, so I messaged her after I returned home. Theirs is a story of hope and survival. While Tucker and his owners did not survive the flood, three family members were rescued and were being treated at the hospital. I was able to return Tucker's tag to her. She said that Tucker was a spoiled and beloved pet.

Since that first trip to Kerrville, we have been back two additional times. I reached out to the schools in Kerrville asking if we could bring the dogs for a visit in some capacity. They asked us to come on the first day of teacher in-service to visit each campus and bring comfort and love to the teachers as they are facing a difficult year ahead. It was a packed day visiting 6 schools and loving on teachers and staff. We started our day at the alternative high school. One teacher in particular had walls up. She said she had dogs at home and didn't need to pet ours. No problem. But there's something about Covey. I have always described him as "lovingly assertive." He very slowly creeps into your space and heart. As I was talking to the teacher next to the "closed" teacher, Covey made his move. Slowly and gently, he pulled the lead into the personal space of the walled off teacher. She finally said, "Ok, fine, I will pet you." **SUCCESS!** Covey leaned in as she hugged him. We started talking about how she had been serving in the community after the flood and the students present and past who lost family. I asked her if I could pray with her and she agreed. She had tears in her eyes after the prayer. Covey did his job well. He knows his job and excels at it.

On our school tour, we spent an extended lunch at the larger high school. This was an intentionally longer visit. The soccer coach, his wife and their two children all lost their lives in the flood. That afternoon, the staff was getting on buses to go to the memorial service for the family. This visit was full of joy, but also tears and much prayer. As we were leaving, the school choir was loading buses to go sing at the memorial service. Covey walked into the crowd and got a lot of hugs from students.

We are blessed and honored to have Covey and to be able to share him with others. *Boykins really can do it all!*

GET READY FOR THE 2026 BSCBAA NATIONAL SPECIALTY SHOW

Mark your calendars! The 2026 BSCBAA National Specialty Show is happening February 27–March 1, in conjunction with the Maryland Sporting Dog Association Spring Event. This multi-day celebration of Boykin Spaniels and sporting breeds promises top-tier judging, exciting competition, and plenty of camaraderie. Here's a preview of our esteemed judges and some of the weekend's tentative highlights.

Friday, February 27: All-Breed Show & Crab Boil Kickoff & Breeder's Showcase

We're thrilled to welcome Laura Reeves of Grants Pass, Oregon, as Friday's all-breed judge. A lifelong hunting dog enthusiast, Ms. Reeves began her journey training and competing with Labrador Retrievers and has also worked with Clumber Spaniels and German Wirehaired Pointers. She's the founder of Scotia Kennels and host of the acclaimed podcast Pure Dog Talk. "I have always focused on good-looking, good-working, happy, healthy family companions who are successful in a wide variety of competitions," says Ms. Reeves.

Friday evening brings a classic Maryland crab boil and the Breeder's Showcase—a perfect way to kick off the weekend.

Saturday, February 28: Double the Boykin Fun

Saturday offers two chances for Boykin Spaniels to shine: one in the all-breed show and another in the 2026 BSCBAA National Specialty.

Our all-breed judge will be Barbara Pepper of Swannanoa, NC. A respected Golden Retriever breeder and AKC all-breed judge, Ms. Pepper also serves as a Golden Retriever Club of America-approved tutor.

For the National Specialty, we are honored to welcome Ms. Pluis Davern of Royal Oaks, California. With a lifetime of achievements—including the 2022 AKC Lifetime Achievement Award (Performance)—Ms. Davern brings unparalleled expertise. She's an AKC all-breed judge, approved Spaniel hunt test judge, and has trained search and rescue dogs. Her work with Sussex Spaniels includes breeding, showing, and hunt titling.

The BSCBAA will also support our performance Boykins in Obedience and Rally on Saturday. After a full day of competition, we invite you to join us for a festive evening celebration.

Sunday, March 1: A Historic First

Sunday brings another exciting double-header: an all-breed show and the first-ever BSCBAA Concurrent Specialty.

Our Concurrent Specialty judge will be Gordon Hayburn of Etobicoke, Ontario, Canada. Originally from the UK, Mr. Hayburn moved to Canada in 2011. His background includes Golden Retrievers, Setters, and Retrievers, with a strong record in campaigning sporting breeds.

Sunday's all-breed judge will be James Covey of Ballston Lake, NY. Mr. Covey began with English Cocker Spaniels and has long focused on the Sporting Group.

Stay Connected

More details about the 2026 BSCBAA National Specialty will be shared as they become available. We need your help! Please keep watch in your inbox & social media for request of donations for trophy sponsorships and premier top sponsorships.

BSCBAA TAIL DOCKING FORMULA & PROCEDURES

Established in 2013 by BSCBAA

Leave 1/3 of the tail plus 1/4 inch; please use a ruler. Dock tail between 3-5 days of age—3 days is preferred. There is consistently a natural indentation where the tail should be docked. If the measurement falls between joints, look and feel for the one where there is a natural indentation. REMEMBERING—Longer is preferred. Best practices done by vet with breeder attending & overseeing.
