President's Letter

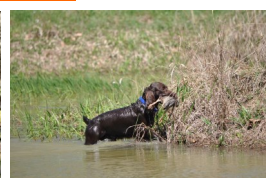

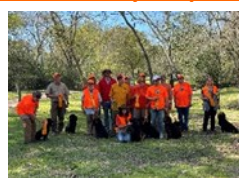

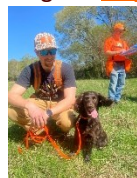

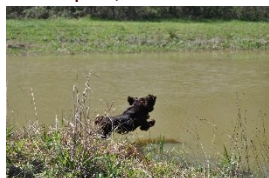

BSCBAA President, Anne Ledet

Reflecting on the inaugural BSCBAA AKC Nationals

Wow! What an amazing 10 days in March it was for Boykins and all those who love them. The Inaugural BSCBAA Nationals is in the history books and what history we made! It was a true honor to meet, compete, learn, listen, discover and cheer on all the participating Boykins and their people.

The Hunt Test in Hempstead included judges Tim Baker and Tim Pullian both from Missouri for the two days of field/water testing skills for entries of 25 per day with a total of 24 passes from two days, resulting in one new Title for Boykin Spaniel, South Bays Where There's Smoke There's Fire, Owner/Breeder is Carl Schwenker. The Hunt Test was a great fundraiser for the club with auctions and raffles, we raised over \$4500. Here are a few photos from the weekend. We cannot thank our volunteers enough! We were only successful because of the help from our bird planters, gunners, hunt test committee members, meal supervisor & meal donors (Sue & Mike McMahan), marshals (Kathleen & Clay Yeaman), organizers & host (Texas Trace: Ginger Hurley & Roslin Copeland), property owners (Greg & Michelle Copeland), special assistant & BSCBAA Hunt & Field Chair (Barbara Bobrowich), the many sponsors and donors, all our gracious participants, those that spent money on raffles & auctions, and so many more that gave a helping hand when needed. Thank you!

PRESIDENT'S LETTER CONTINUED

A fun day of clay target shooting followed by a steak dinner and our annual meeting capped an amazing Hunt Test weekend. All attending were treated to incredible food and hospitality while making new friends, learning best practices, sharing stories and meeting a bunch of Boykins.

The BSCBAA held raffles, auctions and sold squares to raise money for future events. A huge thanks to all of our generous BSCBAA members and businesses for donations of items and bidding often to make these fundraising endeavors very successful. [Please see page 6, the ads thanking these donors BSCBAA placed in the 2023 Hill Country Cluster Catalogue.](#) I would also encourage those who were not high bidders or winners pulled for items your heart was set on to please consider purchasing the item and patronizing these generous sponsors with your business. Tell them the BSCBAA sent you!

From the Houston area many continued on their cross Texas trip to Kerrville for Wednesday's National AKC Specialty in Kerrville. The San Antonio Kennel Club was a gracious host.

Tuesday evening attendees gathered for Mexican food, margaritas and camaraderie at Mamacita's. Wednesday at the Youth Expo Center the BSCBAA made history with 41 entries and 29 unique Boykins competing in Sweepstakes and our National Specialty. Rosettes and prizes were in abundance as owner handlers, junior handlers, seasoned professional handlers and Boykin aficionados competed in unprecedented numbers among the best in our beloved breed. PRESIDENT'S LETTER CONTINUED

We would like to thank the Breed Judge, Ms. Helen Dorrance and Sweepstakes Judge, Mr. Robert E Stein. All winners of the Nationals are featured on [page 1 - 3](#). This historic event lived up to all our expectations and all the winners' awards and ribbons were grandeur and took up three tables of offerings. See photos below:

Tuesday to Saturday featured a robust raffle that filled 36' of tables displaying all-breed dog centric items bringing in more revenue and offering volunteers a great way to share info on the breed and answer curious questions about Boykins for those considering the breed.

Wednesday evening's Celebration at the local favorite Kerrville Hills Winery afforded the group time to unwind, enjoy Hill Country wines, charcuterie and visit with the day's judges, fellow competitors and newly minted friends.

BSCBAA Multi-Title awards for the year 2022 were handed out by Sue McMahon to those achieving these milestones. Congrats to all those award winners, please refer to [page 9-11 for a list of all the 2022 multi-award winners!](#)

Thursday through Sunday saw different Boykins winning each day. These dogs gained ground with winning two Sporting Group 1 placements and a Sporting Group 2 placement. These events saw competitors from South Carolina, Tennessee, Texas, Louisiana, Wisconsin, New York and Illinois. There was a mix of seasoned show dogs to beginners in the ring. Watching the judges guide the groups through their paces was a huge source of pride for me. To see so many of our members, members-to-be, locals including many seeing Boykins for the first time. It truly warmed my heart to experience this engagement and unity for a common goal of furthering the breed through this week's events.

I am humbled and excited to receive the presidential gavel from Sue McMahon who set a very high bar for me. Thank you Sue for all your hard work and incredible achievements over the last year. I look forward to working with this year's new board of directors, class of 2026 - Cassandra Jacobsen, Mike McMahon, Tim Pullian, Carl Schwenker and Kathleen Yeaman along with all the board of directors ([see full list of directors and officers on page 2 right column](#)).

I'm looking forward to many more great future National Specialties, more Hunt Test opportunities, watching our breed continue to break records, gain much deserved recognition and compete in more breed enhancing, community building opportunities. If I learned anything during the week of Nationals, it's that we all have to work together to achieve our goals. [See candid shots of First AKC Boykin Spaniel National Specialty on next page & additional ones on page 14](#). We need participation and engagement to keep our pace and further the betterment of the Boykin Spaniel breed. Please consider volunteering for the BSCBAA in a role best suiting your skill set or push to gain new skills with a new volunteer role. We need the BSCBAA village! Please contact us at [con-tact@TheBoykinSpanielClub.com](mailto:contact@TheBoykinSpanielClub.com) if you are interested in volunteering.

REMEMBERING SUPER COOPER

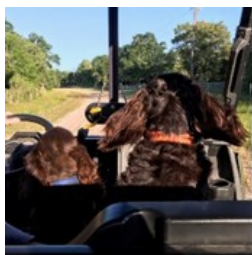

It is with a Heavy Heart that this is a memorial of Cooper's life. It was a tragedy, sudden, and very unexpected. It was a day that will not soon be forgotten by us, the many Boykin friends of Cooper, his handlers, his caregivers, the family and extended family of Cooper's circle, his son & buddy Charlie, his hunting partner/owner, Mike McMahon, but none more than his loving owner Sue McMahon, this one was her heart dog, her loving unconditional companion, the one that can never be replaced. You see Sue wasn't much of a dog person until that phenomenal day September, year 2016. It was meant to be, Cooper chose her and it was love at first cuddle. Sue is definitely a dog lover now and forever, Cooper graciously won her over to the dog and Boykin Spaniel world.

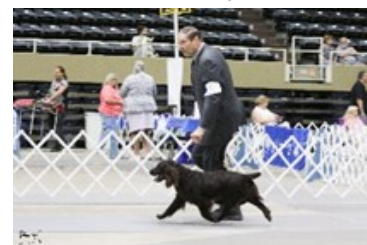

Sue wrote this with a shattered heart about the loss of their beloved Cooper, on April 17, 2023: *"Mike and I are beyond devastated. He was an amazing dog full of love and loyalty, and clearly, my heart dog. We are still in shock at his quick and tragic death from hemorrhagic gastroenteritis and sepsis. He presumably ingested a bone he could not digest which caused him to bleed internally and become septic. The veterinarians at Lexington Animal Hospital in Sugar Land tried valiantly to save him."*

Cooper's passing is incredibly painful and hurts the heart tremendously. Recovery will be long, hard, reflective and profound, but forgetfulness will not be part of it. Mike and Sue will be reflecting on many stories of their life with Cooper. There is comfort in knowing that while Cooper's life may have been cut short, he had a great life with an incredible family and circle of friends that loved him dearly and most of all, Sue as his beloved owner. Be assured that Cooper chose very wisely! With that said, remembrance will not be about the whys or how's of his death, but rather a celebration of his life.

Super Cooper as he was fondly named was a delightful dog, with many accolades and accomplishments, plus everyone loved him! He was a champion in many ways and it shined through him in every way; whether, on many-a-walk it was common that a passer-by would comment on his handsome looks and kind demeanor; playing with the young grand-kids he was intently gentle, soft yet fun-loving; or in the

native grass fields in Kansas upland hunting for pheasants & quail with all the gusto; in the south fields of Texas hunting quail and dove with methodical drive for the bird; the show ring winning multiple best of breeds and group placements; or in New York where he was the 2021 Westminster Kennel Club Breed Winner with such grace and showmanship, he was truly a Grand Champion that did it all!

Super Cooper came from an impressive pedigree, great hunting bloodlines; he had excellent health and genetics, fabulous temperament, his insightfulness and intelligence bar none other (remember, he chose Sue) and yes, he was the **STUD**. Admirably, he leaves a little of himself through his progeny; Charlie, Harper, Petey, Chloe, Willie and Cisco just to name a few. Contemplating in a positive light, there's a little of Cooper all around us!

The following quote sums up a heart dog.

*The heart dogs will not go easily or quietly or ever away.
They are the ones who capture our hearts and our lives.
In small inconspicuous ways they let us know their spirit indeed survives.
If you feel and listen close enough, you just may hear a faint whisper letting you know everything will be okay.
A subtle breeze or brush of wind by your legs, a reminder that you do not walk alone.
The feel of a cold nose or a lick: memories that are clear in your mind that the heart dog will always remain by your side cheering you up during trying times.
In a dream, appears their intently endearing eyes to reassure that their soul is close and they are forever watchful.
And when you come home at night, you miss their joyful greetings intensely, and you realize that one place in your heart belongs to them and forever and always will!*

...we will all miss our Super Cooper!
