A Holiday Classic!

President's Letter

The featured photo reminds me of the classic movie "A Christmas Story" where the kid licks the frozen pole and his tongue gets stuck. I wonder if Sam's tongue got stuck? I sure hope not. This is just one of the many photos submitted in the photo contest. Hope all got their calendar(s) this year featuring many of the Boykin Spaniels we love. It's not too late to get your copy of the 2024 BSCBAA Calendar. Here's a preview, [click on the flipbook link here](#) to view the entire calendar.

Let's welcome 2024 with a roar! Happiest of New Year's wishes to all!

It's going to be a great year for the BSCBAA. As we said good-bye to 2023, December brought 26 exemplary Boykins to Orlando for the 2023 AKC National Championships. It was absolutely amazing to watch all of them compete. We show cased great ambassadors of the Boykin Spaniel Breed with many homebound with bragging rights from the week. Congratulations to all participants with a special shout out to club members, Katie & Gary Eaton with their Boykin, GCHB CH G4K'S Louie Louie who represented the Boykin breed beautifully in the Sporting Group. See [brags page 7](#) for additional wins.

In conjunction at the AKC Nationals, the BSCBAA presented the Judges' Education Seminar & Hands-On Workshop on Boykin Spaniels given by Jackie DeAngelo & Ginger Hurley which garnished many positive accolades. Thank you to our hard working Chairs of the Education & Standard Committee.

2024 starts off with a literal bang with the Women's Shooting Event fundraiser January 19 - 21. The weekend is filled with ladies (and men on Sunday), clay target shooting, hunt field training, silent auction, games, socializing with other Boykin Spaniel enthusiast, catered food by Toby Cruz and drinks. See flyer and details on how to sign up for the event on [page 4](#) of this newsletter. Special thanks to Dawn Fields (our head shooting instructor) who provides incredible, in the field gun instruction along with club members, Patrick Doyle (assistant instructor), and Greg Copeland (safety coordinator). Even if you have never shot before, come out and join us. There are a large variety of shooting levels and you will come out improved by the end of the weekend - we promise! Special thanks to our underwriters Roslin Copeland & Ginger Hurley of Texas Trace (field training instructors) + Sue & Mike McMahon for making this Boykin centric weekend happen.

Reminder about our upcoming AKC BSCBAA National Specialty in conjunction with the Peach Blossom Cluster, April 14, 2024. The Peach Blossom Cluster is April 10-13, 2024 in Perry, Georgia at the Georgia State Fairgrounds. The Nationals will offer many amazing opportunities for our versatile Boykins including agility, dock diving, fast cat, rally, obedience, barn hunt, and of course conformation. We will have special prizes for the competitive canines taking top honors among our specific breed. Thanks to Jeff Engelmann and his committee on adding this to our lineup this year.

THE BSCBAA NOMINEES FOR CLASS OF 2027

BSCBAA NOMINEES FOR CLASS OF 2027:

The BSCBAA Board of Directors and Officers established the 2024 BSCBAA Nominating Committee. The Nominating Committee was established for the nomination of candidates for the Board of Director vacancies created by outgoing BSCBAA Class of 2024 Board BOD Members Class of 2024: *Jackie DeAngelo, Jeff Engelmann, Michael Herrera, Anne Ledet, and Pete Rawls*. Thank you outgoing board members - we appreciate your service to the club.

The BSCBAA Board of Directors is pleased to present this diverse group of talented Nominees for the Class of 2027:

Chelsey Lancaster, SC; Rachel Frey Hawkins, TX; Becky Burns, TX; Micah Smith, OK; Liz Nugent-Heffner, TX.

BIOS:

Chelsey Lancaster - Ridgeland, South Carolina – Chelsey is from South Carolina where she currently lives with her family and a house full of dogs. Dogs have always been part of her life. She was fortunate to have many mentors that always encouraged her to be active with dogs. Her first conformation show memory is of Junior Showmanship with her toy poodle named Jack. She has owned and shown many breeds in various events. Over the years she competed in conformation shows, agility, obedience, herding trials, and dock diving. She has earned titles on various dogs in each of these venues. She was also a three time puppy raiser for Southeastern Guide Dogs, when she was in middle school. Her mother has always had dogs and owned a boarding kennel. She can honestly say she grew up surrounded by dogs. Her husband laughs because the care of her dogs was included in their wedding vows. Her daughters both enjoy being active with dogs. They travel monthly to conformation shows and participate in dock diving events. They have been very successful in Junior Showmanship and the Owner Handled rings. Her son likes to hunt with their Boykins as well. They acquired their first Boykin five years ago. They had lost their hunting lab due to cancer and old age. Since they are a very active outdoor family, they started to look for a smaller hunting companion. Five people in the boat with a large dog can be challenging. The Boykin seemed to fit the part. She was introduced to the Hunt Test and Upland trials a few years later. As a family they enjoy attending dog sports and training for them.

Rachel Frey Hawkins – Livingston, Texas – For several years, Rachel has been a member of the BSCBAA’s Communication Committee and chairs the BSCBAA Social Media and director of the BSCBAA Breeder Directory. She is a past Board of Director member and she is excited to serve again. In 2015, she decided she was ready to own her first dog. She went through every breed on AKC’s website before she found the perfect choice for her interests, activity level and personality - The Boykin Spaniel. She is the proud owner of Brazos. They have competed in conformation and he has earned his AKC Canine Good Citizen distinction. Brazos loves her and her newly-wed husband, Nick Hawkins. She has worked in the filed Communication Specialist for a not-for-profit cooperative, and one of her responsibilities is managing a non-profit charitable foundation on the organization’s behalf. She brings specialized knowledge to the Board on non-profit communication, management and Robert’s Rules of Order. Rachel has a degree in public relations and a minor in business. She has additional experience serving as Vice President of the local Chamber of Commerce, and as President of the Polk County chapter of the American Association of University Women. She is honored to work with this Boykin Spaniel organization, and to help protect and promote these special brown dogs. She is dedicated to helping us move forward in improving the Boykin Spaniel breed, reaching the BSCBAA’s goals and championing of our mission.

Becky Burns - Magnolia, TX— She is a graduate of Texas A&M University, where she majored in Agricultural Journalism. This led her to an opportunity to intern in Washington D.C. for two Congressman and one representative at the Texas State Capitol in Austin. Her career began in August 2007 with Transwestern where she manages commercial real estate. In her spare time she volunteers at the Houston Livestock Show & Rodeo on the Special Attractions Committee, as well as BO-MA/IREM professional committees. She resides at a small ranch/farm with her 7 year old son, Easton and a myriad of animals. The newest member being her Boykin Spaniel, Trigger. The addition of Trig to her family has gotten her involved with upland hunt training, conformation shows and an amazing group of people. She is thrilled to become more involved with the BSCBAA through serving on the Board of Directors.

Micah Smith - Coweta, Oklahoma - Micah is a 28-year-old mechanical engineer based in Oklahoma. He graduated from Oklahoma State University in 2019. Outside of work, he is the proud owner of, Echo, a 3-year-old Boykin Spaniel. Together, they share a passion for hunting. Their adventures have taken them on numerous hunting trips, creating lasting memories in the great outdoors. Micah and Echo have recently gotten very involved the Hunt Test world and are enjoying the competition and Echo seems to be a real natural competitor and shines in the field. He is looking forward to being more involved with the BSCBAA.

Liz Nugent-Heffner – Richmond, Texas - a native Briton, who now calls Texas home. Having studied child care and education in college she originally came to the U.S.A as a professional nanny. Following that taking on property management and personal assistant positions. Changing track for a couple of years, she spent time in the Virgin Islands and sailing on the Adriatic and Mediterranean seas working as part of a small crew running sailing yacht charters. After a stint overseas she came back to the Houston area and horses! Having always owned and worked in the horse industry and British Horse Society qualified she started her own business ‘Lakeland Equestrian LLC’ teaching, training and coaching horses and riders in the disciplines of Eventing and Dressage. Liz currently works part time managing a large premier equestrian facility in Simonton Texas. She is married to Danny and proud owners of a Boykin Spaniel named Brodie, who has titles in dock diving, trick dog and enjoys barn hunting, agility and hanging out at the stables.

Nominees are for the Class of 2027, which means they will serve a 3-year term beginning at the 2024 Annual Meeting, March 4 and ending in 2027. In accordance with the Bylaws, additional nominations of the eligible members may be made by written petition signed by five members, addressed to the BSCBAA Secretary, and received at the BSCBAA’s Post Office Box 502, Hempstead, TX 77445 on or before 30 days after membership notification of the slate of Directors has been sent (1/11/24). If there are no valid additional nominees received by the secretary on or before 30 days after the sent date of this notification, the nominating committee’s slate shall be declared elected at the time of the Annual Meeting and no further balloting will be required.

AKC Announcement:

We are pleased to announce the newest addition to the AKC Family Dog lineup – AKC Fetch. In AKC Fetch, dogs and their handlers have fun, get exercise, and they can earn four levels of AKC titles by demonstrating retrieving skills.

AKC Fetch is designed for all breeds.

Dogs who are at least six months of age are eligible to take the AKC Fetch test as long as they are registered or enrolled with AKC and have an AKC, PAL, or AKC Canine Partners number.

AKC Fetch is a pass-fail noncompetitive test. The four levels of titles (Novice [FTN] Intermediate [FTI], Advanced [FTA], and Retriever [FTR]) assess the ability of the dog to retrieve a ball or bumper. Toys may be used in the Novice and Intermediate levels. For each of the four titles, the dog must pass the test twice under two different approved AKC Fetch judges.

CGC Evaluators or AKC judges of any type may be judges for AKC Fetch if they have completed the Fetch training in Canine College. [To become a Fetch judge, go to Canine College here.](#)

AKC Fetch tests may be hosted by AKC licensed or member clubs or AKC Approved (current) Canine Good Citizen Evaluators who are approved as Fetch judges.

For a club or Fetch judge to hold a test, they must fill out an Event Application.

- ❖ There is an event application fee of \$35.
- ❖ [The application must be submitted one month in advance.](#)
- ❖ AKC Fetch tests will be listed on the AKC Events Calendar [here.](#)

When dog owners are asked about activities they like to do with their dogs, the most common responses are to take their dog for a walk and to play ball (fetch) with the dog. Get on the ball and plan your Fetch tests soon! For information about the new AKC Fetch program, [click here.](#)

For questions, please email fetch@akc.org.

Check this out—Boykin Spaniels would be great!

This year's Photo contest

Please feel free to visit the canine health information center website for more information concerning health and genetic testing at <https://ofa.org>.

BSCBAA HEALTH EDUCATION

PRESENTATIONS

Please check out the informative Zoom Conference Presentations from our Health & Genetics Committee on several topics including Genetic Testing IVDD/CDDY and the CDPA in the Boykin Spaniel, Ear Care, Vaccination Protocol, and a Presentation of building your Canine First Aid Kit, by visiting our [Health Education website page](#) for all our Health Zoom Meetings in slide presentation format.

Health & Genetics has recommended and the BSCBAA Board of Directors voted that our Purina Research funds disbursement for Canine Health Foundation AKC Research will be designated for #01975-A Development of a Technique to treat Nerve and Spinal Cord Damage through Transplantation of Cells that support the repair of Damaged Neurons.

BSCBAA TAIL DOCKING FORMULA & PROCEDURE

Established in 2013 by BSCBAA

Leave 1/3 of the tail plus 1/4 inch; please use a ruler.

Dock tail between 3-5 days of age—3 days is preferred.

There is consistently a natural indentation where the tail should be docked. If the measurement falls between joints, look and feel for the one where there is a natural indentation. REMEMBERING—Longer is preferred.

Best practices done by vet with breeder attending & overseeing.
