

# THE DISCOVERY MONTESSORI

---

December 14, 2018

Dear Parents,

It is almost time to say goodbye to 2018. I am very grateful for another wonderful year spent with amazing teachers, children and families. Thank you for being a part of this year of fun, laughter and learning. As I wrap up the year with memorable moments, I would like to welcome the new year with renewed energy and enthusiasm.

The school is overwhelmed with the inquiries for the enrolment of our next school year [2019 - 2020] however as per our school policy, the first preference is extended to our current enrolled children and siblings. Please find enclosed the re-registration form for the new school year and summer camp. At this time I would like you to fill the form and return to school by January 15, 2019. It will then allow us to open the remaining spaces for other families who are interested in enrolling their children. I appreciate your timely response towards this process.

The school will be open during July and August 2019 from 8:30 am to 3:30 pm for the summer camp. You are welcome to register your child for the summer months. Parents also have the option to select weekly option to accommodate their family vacation plans. The fee structure for monthly plan is the same as the current fee for the full month. The weekly option plan details will be up on our website in the coming weeks.

Please note that there will be an increase in our fee structure from September 2019 in order to accommodate the rising cost of our school operations. The new fee structure is available on our website. We encourage you to visit the school website especially the parent's portal for updates. The winter menu for the current school year is also uploaded for your convenience. Please download the winter menu from the parent's portal.

Here are some important dates for you to remember for the new year.
