

THE DISCOVERY MONTESSORI

April 01, 2026

Dear Parents,

April is shaping up to be an exciting and meaningful month at our school. As we welcome the arrival of Spring, our classroom's themes will focus on the Earth and caring for our environment. Through hands on activities and discussions children will explore ways to appreciate and protect the world around them.

Outside Learning:

The staff is preparing lesson plans to incorporate outside learning to facilitate children's need to connect to Nature for their optimum growing and learning. It will include art work outdoors with natural elements, gardening and tending the vegetables patch, learning about trees and plants around them. Children will be encouraged to play freely and take cautious risks in achieving their goals. Please make sure your child comes to school dressed in appropriate clothes for the day to actively participate in the outdoor play time . Your child may go home with muddy clothes and it shows that your child had a lot of fun. It is recommended to send your child with splash pants instead of snow pants.

Easter Egg Hunt:

We will be celebrating the season with a fun filled Easter egg hunt. This is always a joyful event for children filled with excitement and surprises. The children are making the paper eggs and it will be a fun egg hunt as they will look for the eggs created by their friends in their classrooms. The Easter egg hunt will be on Thursday April 2, 2026

Easter Holidays:

The school is closed for Good Friday, April 3 and Easter Monday, April 6. We wish our families who celebrate Easter a very happy Easter and a great long weekend for everyone.
