

THE DISCOVERY MONTESSORI

January 08, 2026

Dear Parents,

A very Happy New Year and wishing you a joyous 2026. I hope all of you had a wonderful holiday and spent quality time with your loved ones. The staff of Discovery Montessori also had a restful week off and it was lovely to get to spend time with family and friends.

I would like to take a moment to thank all the families who showered the staff with lovely and thoughtful gifts over the holiday season. The cards reflected lovely thoughts and appreciation for the teachers and all this has been very heart warming. We are very grateful for your continued support and partnership. Thank you.

As we begin January, the children and the staff have returned with great enthusiasm, focus and excitement. This new term brings wonderful opportunities for continued success in learning, independence and personal growth. We look forward to supporting each child as they explore, discover and thrive in our Casa environments.

Our French and Music program is led by two very accomplished teachers and this year they have prepared a repertoire to practice with children to perform in front of the parents. The dates for those performances will be shared soon.

Re-Registration 2026-2027: The deadline for re-registration form for the next school year (2026-2027) and for the July summer camp is fast approaching (January 16, 2026). Thank you to those parents who have already submitted the form. For those parents who have not yet submitted the form, please fill out the form and send it back at your earliest. The form is attached again for your convenience. This process allows us to hold the spot for your child and any available spaces are given to new registration.

Social Media: We would like to share our thoughtful approach regarding the use of social media at our school. In keeping with our Montessori values and our commitment to protecting each child's dignity and privacy, we have chosen to limit the number of photos and videos posted on Instagram.

When classroom photos or short videos are shared, they are posted mindfully, offering families a small glimpse into the children's work while respecting their privacy. Teachers delete images from their devices immediately after they are uploaded, ensuring that no content is stored unnecessarily.

We appreciate your understanding and support as we balance community connection with responsible digital practices, always keeping the children's well-being at the center of our decisions.

March Vacation: For parents looking for our March vacation dates, our school will be closed from March 16th to March 20th, 2026.

THE DISCOVERY MONTESSORI

School Closing due to Inclement weather

During the winter months, due to severe weather conditions, we may need to close the school for the safety of our students and staff.

On days with poor weather conditions, the school will inform the parents about the closure of the school because of the stormy or icy road conditions through email as early as possible in the morning. Please check your email in-box before you head out to drop off your child on a snowy or icy day. The staff will make best efforts to inform you ahead of time for any warning or confirmed snow storm coming our way; we will alert you to be mindful of the situation and check your email for a possible snow day closure.

Thank you for your continued trust and partnership. We are grateful to work alongside you in supporting your child's growth and development. We look forward to a joyful and productive month ahead.

Warm Regards,

Fauzia Ali
